*This town report is dedicated to
Mrs. Virginia Felch*

"Until I feared I would lose it, I never loved to read. One does not love breathing."

-To Kill A Mockingbird

Virginia Felch wasn't always interested in books. She read because she had to, not because she loved to. Born in Somersville Ct., the only child to loving parents, she attended school in Ct. and graduated from college in Maine with a degree in Home Economics. She spent most of her career teaching in various schools in Ct. and later in life she changed careers and became a dietician and spent the rest of her career working in hospitals in Ct. and later in Keene. Her parents loved Winchester and quite often Virginia would accompany her father when he came here for a deer hunting weekend or in the summer, they would all spend a week in a cottage on Forest Lake. In 1974 her parents bought the home that Virginia now lives in on Richmond Rd. and Virginia, her husband (deceased), and her parents made Winchester their home. Ginny, as she is fondly called by friends, quickly established her life in town and was seen waitressing and serving pies at the monthly The United Church of Winchester bean supper or she was organizing the Winchester Womens Society fundraiser

to benefit the Chreche or riding on the float in the annual Winchester Pickle Festival parade. She was a founding member of the Red Hats Society in town and she wore her hat with pride. In her younger years she loved to entertain, and Sunday has always been her favorite day, a day to worship and to invite many friends to share in food and fellowship as they sat down to a delicious dinner prepared by Ginny. She loves to cook, and her culinary skills would please any taste bud, much to the delight of her friends. Many years ago she began knitting hats, sweaters and blankets for the babies born at the hospitals in Keene and Brattleboro. She continues to knit the sweaters and estimates she has made over 4000 sweaters and hats for all the newborn babies in Cheshire County.

To the children in town she is known as the "nice lady in the library", Mrs. Felch. While she is not sure what year she started volunteering at the school library, ask anyone that attended school from 1990 on and they know who she is. She started a reading program at the Winchester Elementary School and would give many hours of her time at school, happily reading to the children. As she says, "I may not have always liked reading, but once I caught the reading bug, I couldn't put a book down. I thought it was important to pass on my love of reading to the children and it was a delight to go to school a few days a week and read to the children and help them in the library. A delight to teach them how much they can learn from reading and how it can transform their lives."

Mrs. Felch spent many years at the school and would still be there if "these eyes were as young as I feel" she says with a smile. She may not see as well these days, but that hasn't stopped her from doing what she loves. Her house has piles of books in each room and she has three sweaters she's knitting at any given time and a large quilt is laying across her dining room table, ready to be sewn. She plans on giving it to the granddaughter of a friend at her upcoming wedding. As she states, "I am 96 years young."

When asked what her favorite book is, she answered "Oh, that is a difficult question. I love them all. The classics of course." Then she leans in and whispers, "Don't tell anyone, but I'm very fond of Danielle Steele. Everyone loves a good love story."

A very fitting quote by Danielle Steel comes to mind when thinking of Virginia Felch-

"Maybe some people just aren't meant to be in our lives forever. Maybe some people are just passing through. It's like some people just come through our lives to bring us something: a gift, a blessing, a lesson we need to learn. And that's why they're here. You'll have that gift forever."

Thank you, Mrs. Felch, for being a blessing to this Town. The gift you have passed on to so many people will never be forgotten.

**TOWN MEETING WARRANT
SB2
TOWN OF WINCHESTER
STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Winchester, in the County of Cheshire in said state, qualified to vote in Town affairs:

You are hereby notified to meet in the Town Hall in said Winchester on Saturday the 1st of February next 2020 at nine o'clock in the forenoon to discuss, debate and amend warrant articles #1 through #25 and to receive the reports of the selectmen, town treasurer and other town officers including the agents and committees, and act thereon. Final vote will be by the official ballot on **Tuesday, March 10, 2020**.

You are hereby notified to meet in the Town Hall in said Winchester on Tuesday the 10th of March next 2020 at eight o'clock in the forenoon to act upon the following subjects. The Polls not to close an hour earlier than seven of the o'clock in the afternoon.

Article 1: To choose all necessary Town Officers for the ensuing year.

Article 2: Shall the Town of Winchester raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **\$3,675,826** (Three million six hundred seventy five thousand eight hundred twenty six dollars). Should this article be defeated, the default budget shall be **\$3,692,162** (Three million six hundred ninety two thousand one hundred sixty two dollars), which is the same as last year, with certain adjustments required by previous action of the Town of Winchester or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Majority vote required)

- **Recommended by the Board of Selectmen 5-0**
- **Recommended by the Budget Committee 5-0**

Article 3: Shall the Town of Winchester raise and appropriate the sum of **\$309,604** (Three hundred nine thousand six hundred and four dollars) for the operations of the Water Department, the funds to be raised by user fees, or act in a manner thereon. This article will not affect taxation. Should this article be defeated, the default budget shall be **\$297,797** (Two hundred ninety-seven thousand seven hundred and ninety-seven dollars) If the appropriation proposed in the article is not approved, the default amount shall be deemed to have been approved. "With certain adjustments required by previous action of the Town of Winchester or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Majority vote required)

- **Recommended by the Board of Selectmen 5-0**
- **Recommended by the Budget Committee 5-0**

Article 4: Shall the Town of Winchester raise and appropriate the sum of **\$389,439** (Three hundred eight nine thousand four hundred and thirty nine dollars) for the operations of the Sewer Department, the funds to be raised by user fees, or act in a manner thereon. This article will not affect taxation. Should this article be defeated, the default budget shall be **\$382,077** (Three hundred eight two thousand seventy-seven dollars). If the appropriation proposed in the article is not approved, the default amount shall be deemed to have been approved." With certain adjustments required by previous action of the Town of Winchester or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Majority vote required)

- **Recommended by the Board of Selectmen 5-0**
- **Recommended by the Budget Committee 5-0**

Article 5: To see if the Town will vote to raise and appropriate the sum of **\$25,000** (twenty five thousand dollars) to be placed into the existing non-lapsing Church Steeple Repairs Capital Reserve Fund for the purpose of repairs to the church steeple where the Town clock sits?

- **Recommended by the Board of Selectmen 5-0**
- **Recommended by the Budget Committee 5-0**

Article 6: To see if the Town will vote to raise and appropriate **\$16,522.00** (sixteen thousand five hundred and twenty two dollars) to be placed in the existing non-lapsing Assessing & Revaluation Capital Reserve Fund established under Article 16 at the March 2006 Town Meeting for the purpose of performing the assessing update or revaluation of the real estate in the Town of Winchester scheduled for 2020-2025.

- **Recommended by the Board of Selectmen 5-0**
- **Recommended by the Budget Committee 5-0**

Article 7: To see if the Town will vote to raise and appropriate the sum of **\$10,000** (ten thousand dollars) to be placed into the existing non-lapsing Town Owned Building Upgrades Capital Reserve Fund for the purpose of upgrades for Town owned buildings?

- **Recommended by the Board of Selectmen 5-0**
- **Recommended by the Budget Committee 5-0**

Article 8: To see if the Town will vote to raise and appropriate the sum of **\$5,000** (five thousand dollars) for the Town's share of State road grant reconstruction costs for bridges and place it in the existing non-lapsing Bridge Reconstruction Capital Reserve Fund established at the March 2006 Town Meeting under Article 19 for that purpose.

- **Recommended by the Board of Selectmen 5-0**
- **Recommended by the Budget Committee 5-0**

Article 9: To see if the Town will vote to authorize the selectmen to enter into a 3 year lease/purchase agreement with a non-appropriation clause in the amount of **\$40,461** (Forty thousand four hundred sixty one dollars) to be paid in 3 (three) annual principal and interest payments of **\$13,487** (thirteen

thousand four hundred eighty seven dollars) for the purpose of purchasing a 2020 Ford Police Interceptor Utility AWD, and raise and appropriate the sum of **\$13,487** (thirteen thousand four hundred eighty seven dollars) for the first years payment. At the end of the three-year lease agreement, the Town will buy and own the Ford Police Interceptor Utility AWD for \$1.00 (one dollar). (Majority vote required). **Article 9 to read: To see if the Town will vote to authorize the selectmen to enter into a 3 year lease/purchase agreement with a non-appropriation clause in the amount of \$37,786 (thirty seven thousand seven hundred and eighty six dollars), to be paid in 3 (three) annual principal and interest payments of \$12,595 (twelve thousand five hundred ninety five dollars) for the purpose of purchasing a 2020 Ford Police Interceptor Utility AWD, and raise and appropriate the sum of \$12,595 (twelve thousand five hundred ninety five dollars) for the first years payment. At the end of the three-year lease agreement, the Town will buy and own the Ford Police Interceptor Utility AWD for \$1.00 (one dollar). (Majority vote required).**

- **Recommended by the Board of Selectmen 4-1**
- **Recommended by the Budget Committee 5-0**

Article 10: To see if the Town will vote to raise and appropriate the sum of **\$13,300** (thirteen thousand three hundred dollars) to be placed into the existing non-lapsing Police Cruiser Capital Reserve Fund for the purpose of updating the current Police fleet.

- **Recommended by the Board of Selectmen 5-0**
- **Recommended by the Budget Committee 5-0**

Article 11: To see if the Town will vote to authorize the selectmen to enter into a 5-year lease/purchase agreement with a non-appropriation clause in the amount of **\$121,706** (one hundred twenty one thousand seven hundred six dollars), to be paid in 5-year annual principal and interest payments of **\$24,342** (twenty four thousand three hundred forty-two dollars) for the purpose of purchasing a 2020 Volvo L70H Wheel Loader, and raise and appropriate the sum of **\$24,342** (twenty four thousand three hundred forty-two dollars) for the first years payment. Using the current loader as a trade to offset the total cost in the amount \$26,000 and putting a down payment of \$15,000 from the Highway Equipment Capital Reserve Account. At the end of the 5-year lease agreement, the Town will buy and own the 2020 Volvo L70H Wheel Loader for \$1.00 (one dollar). (Majority vote required). **Article 11: To see if the Town will vote to authorize the selectmen to enter into a 5-year lease/purchase agreement with a non-appropriation clause in the amount of \$121,706 (one hundred twenty one thousand seven hundred six dollars), to be paid in 5-year annual principal and interest payments of \$26,792 (twenty six thousand seven hundred ninety two dollars) for the purpose of purchasing a 2020 Volvo L70H Wheel Loader, and raise and appropriate the sum of \$26,792 (twenty six thousand seven hundred ninety two dollars) for the first years payment. Using the current loader as a trade to offset the total cost in the amount \$26,000. At the end of the 5-year lease agreement, the Town will buy and own the 2020 Volvo L70H Wheel Loader for \$1.00 (one dollar). (Majority vote required).**

- **Recommended by the Board of Selectmen 3-1**
- **Recommended by the Budget Committee 5-0**

Article 12: To see if the Town will vote to raise and appropriate the sum of **\$15,000** (fifteen thousand dollars) to be placed into the existing non-lapsing Highway Equipment Capital Reserve Fund for the purpose of purchasing highway equipment.

- **Recommended by the Board of Selectmen 4-0**
- **Recommended by the Budget Committee 5-0**

Article 13: To see if the Town will vote to raise and appropriate the sum of **\$5,000** (five thousand dollars) to be placed into the existing non-lapsing Ambulance Capital Reserve Fund for the purpose of purchasing an Ambulance.

- **Recommended by the Board of Selectmen 4-0**
- **Recommended by the Budget Committee 5-0**

Article 14: Shall the Town vote to authorize the Board of Selectmen to be the agents to expend the Ambulance Capital Reserve Fund created for the purpose of purchasing new Ambulance under article 29 passed at the town meeting in 1990.

- **Recommended by the Board of Selectmen 4-0**
- **Recommended by the Budget Committee 5-0**

Article 15: To see if the Town will vote to establish a Road Maintenance, Repair and Reconstruction Capital Reserve Fund (Highway Block Grant) under RSA chapter 35, raise and appropriate **\$145,447** to be offset by the State of NH Highway Block Grant, and deposit said amount in the Fund, and appoint the Board of Selectmen as the agents to expend.

- **Recommended by the Board of Selectmen 5-0**
- **Recommended by the Budget Committee 5-0**

Article 16: To see if the Town will vote to establish a non-lapsing Capital Reserve Fund under the provisions of RSA 35:1-I for the purpose of repairing and maintaining the Winchester portion of the Ashuelot Rail Trail and raise and appropriate the sum of **\$10,000** (ten thousand) to be place in this fund with the Board of Selectmen being agents of said fund?

- **Recommended by the Board of Selectmen 4-0**
- **Recommended by the Budget Committee 5-0**

Article 17: Are you in favor of amending article #10 of the 1998 Town Warrant to read: "To create an expendable care trust fund known as the 'Cemetery General Maintenance Fund' under the provisions of RSA 31:19 until rescinded, for the purpose of the general care, expansion and capital improvements associated with the cemeteries of the Town of Winchester." The change in governing statute to RSA 31:19 from RSA 31:19-a, and the duration are required under current law. All other provisions of the original warrant article remain intact.

- **Recommended by the Board of Selectmen 5-0**

Article 18: To see if the Town will vote to raise and appropriate the sum of \$800.00 (eight hundred dollars) to support the annual Pickle Festival.

- **Recommended by the Board of Selectmen 5-0**
- **Recommended by the Budget Committee 5-0**

Article 19: Shall the Town vote, pursuant to RSA 261:153,VI, to establish a municipal transportation capital reserve fund designating the Selectmen as agents to expend the fund, and vote to collect effective April 1, 2020 an additional motor vehicle registration fee of \$5.00 (five dollars) per vehicle to be deposited into the fund to support improvements to the Town's transportation system, said improvements being limited to roads, culverts and bridges. In addition being used for engineering, right of way acquisition, constructions and other cost related to improving town roads, culverts and bridges, these funds may also be pledged and expended as local match to secure state or federal funds allocated for local transportation systems improvements.

- **Recommended by the Board of Selectmen 5-0**
- **Not Recommended by the Budget Committee 3-2**

Article 20: To see if the Town will raise and appropriate the sum of \$40,000 (forty thousand dollars) for the purpose of supporting Youth Programming through ACCESS which supports Youth and Teen activities. Those activities include, but not limited to: 4weeks of summer camp, 4weeks of Teen adventure camps, before & after school enrichment activities and special events for the youth of Winchester and Families as a cost which does not prohibit involvement for all families of Winchester. **Article 20:** To see if the Town will raise and appropriate the sum of \$30,000 (thirty thousand dollars) for the purpose of supporting Youth Programming through ACCESS which supports Youth and Teen activities. Those activities include, but not limited to: 4weeks of summer camp, 4weeks of Teen adventure camps, before & after school enrichment activities and special events for the youth of Winchester and Families as a cost which does not prohibit involvement for all families of Winchester.

Inserted by Petition

- **Recommended by the Board of Selectmen 3-2**
- **Recommended by the Budget Committee 5-0**

Article 21: To see if the Town will raise and appropriate the sum of \$55,000 (Fifty-Five thousand dollars) for the purpose of subsidizing recreation in the Town of Winchester to be paid to the E.L.M. Memorial Community Center on a contractual basis.

Inserted by Petition

- **Recommended by the Board of Selectmen 4-0**

ADMINISTRATION ANNUAL REPORT FOR 2019

In March 2019 Herbert Stephens & Ben Kilanski were re-elected to a 3-year term. The Town has hired several new Employees: Highway- Michael Weldon and Michael Parrott, Water & Sewer- Justin Ruskowski, Finance- Rikki Bolewski, Police-James Fisher, Building Inspector(interim)- TJ O'Brien, Cemetery- Michael Prentice and Ambulance has several new Attendants to run during the hours of 6am to 6pm Monday - Friday.

The Town was awarded and applied for several grants this year. NH Highway Safety Agency awarded the Police Department \$2,887 for DWI Patrols, \$2,855 Operation Safe Commute, \$238 for U Text U Pay, \$2,510 for In-Cruiser Video and \$2,437 for Traffic Enforcement Patrols. The Town received an Exotic Species Program Grant from the NH DES for \$3,610. In December the Town was awarded the LCHIP Grant in the amount of \$75,000 and DES awarded \$10,000 to the Water Dept for Asset Planning.

The beginning of 2019 we held an Economic Forum on the 10 year Charrette update. This was a collaborative effort to develop ideas and plan strategies for the next ten years. This summer the Highway Department paved Old Westport. WEDC acquired land from Town for the Stone Mt Business Park and is currently

waiting for DES approvals. The project will be going out to bid and construction should start in 2020.

2019 was a big year for projects for Town of Winchester. The culvert on Back Ashuelot Rd. was repaired with ARM funding, part of the sidewalk on Main St was repaired and Jones Road had a new water main installed with grant funding. The town has updated its website with a user friendly platform.

Citizens are encouraged to participate in meetings, on boards, or committees. The Town's website www.winchester-nh.gov is a great resource for you to find what maybe going on in town, agendas, forms, application, maps, property cards and much more.

The Board of Selectmen would like to thank the employees, committee members and volunteers for all their hard work and dedication throughout the year. We look forward to working with you in the coming year. To the residents of Winchester we also would like to thank you for your support.

Ben Kilanski, Chairman

TOWN OFFICIALS TERMS AS OF 12/31/2019

A=Alternate, CH=Chairman, VC=Vice Chairman, S Rep=Selectmen's Rep.

General Information Relating to Property

For more information, call or stop in at the Assessing Office, or visit Assessing on the Town's website www.winchester-nh.gov where there are also topographic, tax and zoning maps.

Tax Credits and Exemptions for those who qualify:

Veterans Tax Credits per RSAs 72:28, 72:29-a, 72:35: currently \$500 off tax due

Veterans Service connected 100% disability: currently \$2,000 tax due

Surviving Spouse of a veteran suffering a service-connected death: currently \$2,000 off tax due

Elderly Exemption, per RSA 72:39-a: currently: (65-74 years old) \$20,000, (75-79 years old) \$30,000, and (80+ years old) \$60,000 off the assessed value

Disabled Exemption per RSA 72:37-b: currently \$15,000 off the assessed value

Blind Exemption per RSA 72:37: currently \$15,000 off the assessed value

Elderly & Disabled Tax Deferral per RSA 72:38-a

Current Use: minimum lot size and other classification requirements.

Intent to Cut Timber: must be filed prior to each cutting operation.

Intent to Excavate: must be filed prior to excavation, and a permit must be obtained from the Town.

Building Permit: must be obtained prior to any form of development as defined in the Zoning Ordinance. State approvals may also be necessary in some circumstances. No work may begin prior to issuance of a Building Permit. A fee applies: New residential construction is based on \$.12 per square foot; renovations are \$.12 per square foot, and commercial construction is \$.15 to \$.20 per square foot. The minimum fee is \$35.00. Electrical, mechanical, and plumbing permits have a flat fee of \$35.00 each.

Demolition Permit: must be obtained before the demolition and removal of any building. Fee: \$35.00.

Manufactured Housing: permit required to move into, out of, or within the Town. Fee: \$35.00. Other information is required such as proof of tax payment and informing Assessing (RSA 72:7-B).

Property Record Descriptions: available at the Assessing Office and online. Please review your property card for any errors.

Abatement information and applications: available at the Assessing Office.

Default Budget of the Municipality

Winchester

For the period beginning July 1, 2019 and ending June 30, 2020

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

This form was posted with the warrant on: 1/25/19

Town of Winchester Winchester Ambulance Department 2019 Annual Report

Your Winchester Ambulance department responds to calls within the Town of Winchester, including Ashuelot, and to surrounding communities if requested under mutual aid agreements. We respond 24 hours a day, 7 days a week, 365 days a year (including holidays). We are comprised of dedicated staff who have taken National Registry Emergency Medical Responder, Emergency Medical Technician or Advanced Emergency Medical Technician courses. We contract with Diluzio Ambulance Service out of Keene for Paramedic intercept for calls that require Advanced Life Saving (ALS) skills and/or medications that our EMTs and AEMTs are not trained (or licensed) to perform or administer. Our department currently has two ambulances—40A1, is a 2003 Ford E350 ambulance and 40A2, is a 2009 Chevrolet C4500 model.

After several years of planning, and thanks to you for voting to pass our warrant article, November 10th, 2019 was our start date for paid part time staff. Since then we have staffed two personnel Monday through Friday 6 AM – 6 PM to respond right from the fire station the moment we are toned. From November 10th – December 31st we responded to 95 EMS calls, many of them coming during the paid part time shift.

In 2019, Winchester Ambulance was toned to 659 calls, a record number since we started keeping careful documentation of call data in 2015. That was an increase of 73 calls (12.5% increase) when compared to 2018. We are now utilizing a newly released mobile phone app which integrates us even more with our dispatching center, giving our emergency responders a notification and a glimpse into the information dispatch receives from the 911 call center in real time before we are even toned. This, coupled with staffing our ambulance, has cut down our response times tremendously.

We would like to ask everyone to please be sure their house numbers are plainly marked and easily visible so we can find you in an emergency. If your house sits far off the road, please be sure the driveway is also marked. There truly are times when minutes count and we don't want to waste them looking for an unmarked driveway or house. Please help us find you or your loved ones faster.

It is our privilege to serve you and while we are sorry you or a loved one may need our services, we are deeply honored to be able to continue to provide assistance in your time of need. Thank you for continuing to allow us that privilege.

And lastly, I would like to personally say thank you for your ongoing support for your ambulance. Your support is crucial for us to succeed, and with it you will help us continue to grow into the best ambulance service we can be. Thank you.

Sincerely yours,

Zachary J. Ford, NRAEMT

Ashuelot River Local Advisory Committee

Washington Lempster Marlow Gilsum Sullivan Surry Keene Swanzey Winchester Hinsdale
Annual Report: 2019

The volunteer board of the Ashuelot River Local Advisory Committee met monthly in 2019 and continued to conscientiously review permits impacting the river. We continued to monitor projects along the quarter mile river corridor and made comments when appropriate.

Permits: The Committee reviewed permits for above and belowground storage tanks in Winchester, shoreland impacts in Washington and bank stabilization and habitat improvement of farmland in Hinsdale. Two shoreland infractions involving illegal tree cutting were noted in Keene, DES was notified. ARLAC notified DES of a permit violation in Lempster where a retaining wall was constructed too near the river by the Town. Along Beaver Brook in Keene, Citgo gas station's petroleum leak and bank erosion were also concerns that were addressed. In Washington, dam reconstruction and spillway repairs at the outlet of Ashuelot Pond were reviewed and supported. Members meticulously reviewed plans for a rebuild of a section of Eaton road in Swanzey and made recommendations on culverts and erosion control. Dillant-Hopkins Airport runway expansion in Swanzey merited a close look as habitat loss and poor water quality will be byproducts of this work, along with a substantial Aquatic Resource Mitigation fund payment by the airport. Also at the airport, ARLAC will continue to follow the progress of FAA mandated wildlife fencing proposed to exclude animals from the runways. ARLAC sent a letter to NHDOT advocating for the State's retention of land near the Ashuelot Covered Bridge for rail trail parking. We supported the proposed Swanzey Town Park improvements by the Thompson Covered Bridge. We reviewed plans by Eversource for utility pole replacements in Keene crossing through wetlands near the river.

Projects: Dams along the Ashuelot River merited much discussion during several meetings. Some members attended a meeting on the future of the West Street Dam in Keene with five options outlined by the presenters from the Rhode Island School of Design. We commented on the Upper Robertson and Lower Robertson dams owned by Ashuelot Hydro Inc. who seeks Low Impact Hydro Institute certification enabling them more favorable rates on electricity generated. Fiske Mill Dam in Hinsdale is scheduled to begin license renewal in 2020 but the owner has yet to respond to FERC regarding relicensing. There is much concern about the capability of the fish lift at this site. Updated studies of fish populations in these areas are needed. ARLAC's concerns are adequate fish passage both up and downstream for species such as shad and eels, as well as water quality and increased recreational opportunities for the public. The hydro-dam in Marlow has completed a study of dwarf wedgemussels, one step toward licensing.

Culverts were of concern at two sites in Gilsum. One site is in a gravel pit adjacent to the river, the other a box culvert replaced by NHDOT without a permit or adequate erosion protection. ARLAC supported the successful efforts in Surry to rehabilitate a poorly performing culvert on Thompson Brook. ARLAC members monitored Liberty Utilities successful installation of a pipe beneath the riverbed in Keene.

Two Keene State College senior students had assisted ARLAC with an assessment of the river corridor which has not been surveyed for changes since the report in 2006. They had met with ARLAC and local representatives from the corridor towns to do a visual inspection and will submit their findings to supplement the 2006 document.

River cleanup was September 28 and was part of the annual Connecticut River Conservancy's Source to the Sea river cleanup. 73 volunteers removed three tons of trash from the Ashuelot River in Swanzey and Beaver Brook in Keene. There seemed to be an uptick in the number of tires retrieved.

Twenty one volunteers provided over 150 hours to conduct monthly water quality monitoring from May-September. All towns along the river corridor contributed funds to support the E.coli sampling, and ARLAC was able to procure three new dissolved oxygen/conductivity meters this year. The Ashuelot continues to maintain its designation as Class B waters for dissolved oxygen, specific conductance, chloride and turbidity. Bacteria counts remained within standards for most of the summer but continued to be high after a heavy rainfall likely due to stormwater runoff. Specific conductance measures ions in the water and while within standards, does show an increase from Keene and downstream, evidence of human impact. Phosphorus levels continue to be reduced with effluent treatment by the Keene wastewater treatment facility. Acidity continues as an ongoing concern with low pH in the headwaters, slowly becoming less acidic as the river flows through Keene and downstream.

Eloise Clark, Clerk
Barbara Skuly, Chair

19 Spring St., Swanzey, NH 03446, (603) 352-0987

2019 CEMETERY REPORT

The addition of a third person this season allowed us to keep up with the mowing as well as tackle some long-awaited projects. We cleared the last stand of trees at the rear of Evergreen Cemetery. The stumps were removed, and the land was rough graded. We will do more grading in the spring and seed the entire area getting it ready for future use.

All piles of miscellaneous dirt, stones and gravel have been removed and used as fill where needed. The side hill which was severely broken down has been paved and should last us for many years to come. Over 30 broken headstones were repaired and countless others were straightened.

We began a project to better designate sections by installing granite section posts as well as new 4 x 4 section posts which are lettered on all 4 sides for better visibility. This project is about 50% complete and will continue in the spring.

We have been to all the outlying cemeteries and have cleared and removed brush, raked and tidied up as needed. There are some old, dying trees that will need to be removed at several of these cemeteries which we will address next season.

South Parish Cemetery has been brush hogged back to our boundaries. We will work on extending our fence and grading the newly cleared areas for future lots as well as a designated scattering garden.

Residents and families have been doing an incredible job of caring for their plots by removing broken items and caring for their plantings. It is much noticed and appreciated by those who visit as well as the entire cemetery staff.

There was a total of 47 burials.

Respectfully submitted,

Sherry P. Willard
Sexton

October 11, 2019

Town of Winchester
1 Richmond Road
Winchester, NH 03470

Dear Board of Selectmen:

Enclosed is your 2019 county tax bill. We are providing this information to you in order to explain how the County taxes are allocated.

The formula for Winchester's portion of county taxes is based on the town's percentage of equalized valuations including utilities to the overall total equalized valuations for all Cheshire County municipalities. For example, using the data from the information below, Winchester's equalized valuations for 2019, of \$264,437,484, is 3.5009% of the total equalized valuations in Cheshire County of \$7,553,400,342. That percentage is then applied against the total dollar amount of taxes to be raised.

The process described above is used by the Department of Revenue Administration in order to calculate the county tax allocation. The tax amounts are calculated and certified by the DRA only after they have received all equalized valuations from the Towns in Cheshire County and the City of Keene and the total amount of taxes to be raised from Cheshire County each year. It is from the DRA's certified Tax Apportionment that the County produces the bills.

Cheshire County Tax Allocation for the Town of 2017-2019:

	<u>2019</u>	<u>2018</u>	<u>2017</u>
Total Cheshire County Equal Valuations	\$7,553,400,342	\$7,297,078,930	\$6,891,114,008
Winchester's Equalized Valuation including Utilities & Railroads*	\$264,437,484	\$270,016,870	\$231,232,849
Winchester's % Proportion to County Tax	3.5009%	3.7003%	3.3555%
Total Cheshire County Taxes	\$28,324,218	\$28,119,999	\$24,281,016
Winchester's Apportionment of County Budget	\$991,604	\$1,040,536	\$814,755

*DRA uses prior year Equalized Valuations to allocate current year County Taxes.

If you have additional questions or need further information, please do not hesitate to contact me at 355-3036.

Sincerely,

Sheryl A. Trombly, Finance Director

TOWN OF WINCHESTER
FINANCE DEPT.

August 23, 2019

2019 Report to the Town of Winchester **and** **2019/2020 Budget Request**

Mission Statement

The Community Kitchen, Inc. provides healthy and nutritious hot meals, take-home food boxes, education and advocacy to low and moderate income men, women and families with children in the Monadnock Region.

For 2020 The Community Kitchen is requesting an appropriation of **\$15,000** to continue to provide food to those in need of our services who are residents of Winchester.

Our Pantry Program distributes take home supplemental food boxes on Wednesdays from 12:30pm to 5:30pm and Thursdays from 11:30am to 4:00pm. Each box provides approximately three meals per day for three days for each member of the household but we operate a choice pantry to allow people to take what they want or need. Computerized and paper records are kept of family names, number of people, street addresses, income and age. Each family or individual coming in for the first time must fill out a form required by the USDA, and provide documentation for all of the above information.

We are committed to providing the best possible food for our clients and following this are delighted with the continued success of our Gleaning Program which continues to bring farm and garden fresh produce into our Programs. Since its inception in 2013, **over 200,000lbs** of fresh fruits & vegetables have been collected. Fresh fruits and vegetables are an important, but expensive, part of a family's shopping bill and we are committed to guiding our clients to take the fresh produce.

We are continuing to work with other agencies, building relationships, sharing knowledge and trying to engage volunteers and clients to gain more from their connection with us. We also act as host for the Monadnock Food Coalition, which endeavors to provide Thanksgiving and Christmas/Holiday boxes to other pantries within Cheshire County, social service agencies and other agencies serving the low income population. We send out a separate mailing to raise funds and buy food that is only used for the Holiday distribution. In 2018 we were able to provide the majority of food needed for Thanksgiving for the Coalition Pantries and Agencies through this program. For the December Holiday we provided food for participating agencies, but sent checks with remaining funds from the separate mailing to Pantries within the Coalition. It is our goal to provide Holiday food boxes to families who wouldn't have been able to have their own celebration. Through this program we were able to help another 555 families, totaling 1,175 people have their own Holiday celebratory meal county wide. It is our plan for 2019 to

37 Mechanic Street • P.O. Box 1315
Keene, NH 03431 • (603) 352-3200 • Fax (603) 355-0179
www.thecommunitykitchen.org
Tax ID# 22.2473346

distribute checks with funds raised from the Coalition mailing to Food Pantries for both Thanksgiving and Christmas. Holiday food will be provided to area agencies.

FINANCIAL INFORMATION:

Total Unduplicated Winchester/Ashuelot Residents in 2018: 156

Total Unduplicated Winchester/Ashuelot Residents **thus far*** in 2019: 83

The actual cost of Pantry meals provided to Winchester/Ashuelot residents by The Community Kitchen for 2018 was \$27,574. We arrive at the cost of a meal by dividing the amount it cost to run the organization by the total number of meals served during the year – we served a total of 387,457 meals in 2018 and our expenditure was \$665,813.41 therefore our cost per meal is \$1.69 which when calculated at 95% equals \$1.61 per meal (we calculate at 95% as that is the breakdown of food distributed by the organization – 95% through the Pantry Program 5% through the Hot Meals Program). The food we distribute is donated from local retailers, restaurants and wholesalers and obtained through the donation program of the NH and VT Food Banks. We also purchase from sources such as the purchase programs of NH and VT Food Banks and through local wholesalers and supermarkets.

The Community Kitchen serves a free, open to all dinner Monday through Friday from 5:00pm to 6:20pm and a lunch on Sundays from 11:00am to 12:00pm. Meals are prepared by a volunteer crew under the supervision of the Hot Meals Coordinator. Menus are planned after salvaged food is picked up at supermarkets, restaurants and bakeries. We offer as balanced a meal as is possible and no Town funds are requested for this program.

For additional information, please visit our website at www.thecommunitykitchen.org or contact the Kitchen directly as tours of the facilities are always available and show the scope of our work, especially on a distribution day. We are especially proud to offer tours this year as our renovations are complete – the renovations were made possible by a Community Development Block Grant awarded in 2017, with the building work being completed during the summer of 2018.

I would be happy to speak with the Selectmen at any time.

Respectfully submitted,

Executive Director

pbray@thecommunitykitchen.onmicrosoft.com

* Numbers are from **January 1st-July 31st, 2019**, historically we experience an increase in the first winter months and around the Holidays.

Conant Public Library
111 Main Street
Winchester, New Hampshire

Peggy Cushing acted as Library Director from September 2018 to the end of June 2019. Abigail Storm took over as Library Director at the beginning of July 2019. The Conant Public Library started new children's programming such as a monthly Lego Club, and Craft and Pizza Night, as well as seasonal programming such as Storytime and Cocoa, and Christmas Ornament Workshops. The Children's Room has been rearranged to increase play space.

Regular weeding and collection development has taken place with damaged books being replaced. This continues into the next year until the collection is up to date.

We look forward to more programming in the future and further collection development.

Respectfully submitted:

Abigail Storm

Winchester Conservation Commission Annual Report

Our Mission Statement is to ensure the proper utilization and protection of our natural resources and the protection of the watershed resources of Winchester.

The Conservation Commission (WCC) had a very diverse year supporting multiple Town projects and the Winchester Economic Development Corporation in their grant work to develop the Stone Mountain Industrial Park while also continuing to honor the Mission Statement of the Commission.

The WCC continued to complete and document inspections of all the land owned or managed by the WCC to ensure that all deed requirements are being met. Members have inspected additional properties and taken numerous photos to provide documentation of points of interest including our acreage on Pudding Hill donated by the Hearn family. The WCC would love to establish trails in this area as it offers interesting glacial formations and scenic vistas.

The WCC continues to work closely with the Winchester Economic Development Corporation project to support them in establishing an industrial park in Winchester. The land swap earlier agreed upon to provide road frontage for an access road in exchange for land that would protect Lily Pond and Musterfield Park was finalized. A strip of land on the east side of the WEDC property that runs from Musterfield Park to Lily Pond, as well as a strip of land behind the Park, was selected for the exchange. The WEDC will also agree to place a conservation easement on Lily Pond.

As a part of supporting the development of an industrial park while protecting Musterfield Park, Lily Pond and the adjacent cemetery the WCC agreed to provide financial support for a required study to determine if there are black racer snakes in the area. Black racers are a species of concern in NH so it was determined it was part of our mission statement to support the study. The first phase of the study was completed with the second phase to be completed in the spring. New picnic tables were added to Musterfield Park in the spring and the area opened up for a better picnic area.

The WCC completed a special logging operation at Musterfield Park to clean up the extensive damage after a fall storm took down many trees and left much of the Park heavily damaged. WCC members and the loggers spent many days cleaning up the area especially in the area provided for picnics. Due to safety concerns, both the downed trees and trees that had the potential of coming down in the future were removed.

To support and promote outdoor recreation in the Town, the WCC has been actively working to establish several canoe/kayak take out sites. A sub committee was formed to research and establish suitable sites for folks to access the Ashuelot River. Multiple sites are under consideration with a focus on three sites for initial development. Norm Sims is offering a site on his property on Back Ashuelot Street with the additional sites being the Oxbow behind Howard Street and the Old Westport Road and a site at the Dan Cole Pavilion. Work is ongoing to provide multiple sites for safe put in and take out.

Members of the WCC are also working with Margaret Sharra in a five year monitoring program of the "Cranberry bog" culvert on Back Ashuelot. The work is required by the grant funding the culvert. The monitoring done at high and low water will monitor the impact of the culvert on water fowl, vegetation and fish passage, etc.

WCC members continue to improve and maintain many of the properties owned and managed by the WCC. Paul Hubner continues to do extensive trail work as well as represents Winchester for the Ashuelot River Advisory Board. This year Steve Brackett completed bike trails at Gardiner Mountain and contributed a new sign.

The WCC again shared in the cost of the treatment of milfoil at Forest Lake and will continue to work with the State and the Forest Lake Association to monitor any regrowth in the Lake as well as determine ways to prevent introducing milfoil into the Lake from boats.

The WCC continues to serve the Town by responding to requests to investigate any issues related to wetlands violations or other DES related issues and continues to advise Town Boards where requested on any environmental matters and is available to Winchester residents to address matters related to our environment and our natural resources. We welcome any interested residents to join our Board.

Gus Ruth, Chairperson
Bonnie Leveille, Secretary
Ben Kilanski, Treasurer

Members: John Hann, Jon Baldvins, Miriam Johnson, Norm Sims, Tom Turant, Joe Faloretti, Paul Hubner, Ken Cole, Irene Ruth, Steve Brackett.

Ellen Lambert Murphy Memorial Community Center

Ellen Lambert Murphy Memorial Community Center Annual Report FY 2018-2019

The ELMGCC would like to express its gratitude and appreciation to our voters and taxpayers for generously subsidizing youth recreation. We are so grateful for the many young adults, parents, and retired who devoted their time and energy for the youth of our community.

Our two boards made of local community members, The Board of Incorporators and The Board of Trustees, donate their time and vision into supporting the goals of the ELMGCC. Jessica Wright-Moore, the office coordinator, used her experience with hospitality and media to increase the frequency of facility rentals as well as increase the social media interaction with the community. Mike Rurka, our resident Facilities Maintenance employee, continues to keep the fields and the buildings at a superb standard. We would also like to thank Wayne Bruhmuller for his efforts increasing sports participation and for starting the winter basketball program.

The athletic program continues to thrive. The Fall Soccer numbers jumped to 103 players for K-6th grade. Spring Baseball increased its numbers again to 108 players from K-6th grade. Summer Hoops, a 6-week basketball program during the summer months, had 25 players from 9th grade to adult. There were about 45 volunteers who helped with the programs.

During our February and April Vacation Camps, campers enjoyed on-site activities and events such as a Petting Zoo, Lego Building Workshop, Linda Peck Juggling, and local hikes in Pisgah. For the third year, the ELMGCC partnered with ACCESS for Summer Camp. It was a successful collaboration and we look forward to working together to provide an active and safe place for kids to spend their summer.

The ELMGCC hosts and supports the missions of local organizations such as Cheshire County Fish & Game, Girl Scouts of Green and White Mountain, Home Healthcare and Hospice, the Monadnock Tri-County Dance Club, Mt. Pisgah Sportsman's Club, and the Winchester Woman's Club. Age in Motion classes, foot clinics, blood pressure clinics, turkey raffles, Easter egg hunts, Christmas Bazaar, blood drives, and Kiwanis Halloween costume contest are regular events at the ELMGCC. We are always looking to expand our community relationships and look forward to future collaborations.

In May of 2019, the ELMGCC worked with the dedicated volunteers of the Winchester Farmers Market to create a Winchester Community Day. The day began with a 5k Race that traveled through the heart of downtown Winchester and ended with a Community clean up and Farmer's Market Food Festival showcasing food from many local vendors. Including this event, our facilities have been utilized for various events this year. From weddings to memorial services, to family reunions, birthday parties and more, our spaces can accommodate a wide range of uses. The bowling alley is always available for private functions, as is the hall space and Ruth Coffin Room. Rental fees associated with rentals help to offset the operating costs associated with running such a large facility and help us provide programs to our residents at as low a cost as possible. We believe that Governor Francis Murphy's vision for this community center was to continually support the residents of this town by offering social and recreational opportunities. We look forward to continually support that vision.

The Ellen Lambert Murphy Memorial Community Center is constantly working to promote and provide quality activities and services that will contribute to the physical, emotional and social well-being of the community. We are proud to continue to grow in our support of the community and its residents.

Respectfully Submitted,
Jessica Wright-Moore Facility Director

EMERGENCY MANAGEMENT REPORT

Our mission statement for 2020 is to strengthen our ability both effectively and efficiently to prepare for, respond to, and mitigate emergencies and disasters that our Town and local area may have going forward.

One of our main objectives is to respond to all nature or man-made hazards. The continued support and co-ordination of our Local, State and Federal Agencies play a critical role in the safety of our Town. We have been attending training sessions in Dover NH sponsored by the State and FEMA.

The Hazard Mitigation plan and Emergency Management Plan have been updated and is kept at the Selectmen's office at the Town Hall.

The Emergency management team and the ELMM Community Center, has continued in a partnership so that the ELMM Community Center may be used as an emergency shelter when needed. Along with the ELMM Community Center, the Winchester School, the Winchester Fire Station as well as the Winchester Town Hall are all set up for an emergency.

If and emergency shelter is needed, information will be provided to the citizen at the time of the event.

The Emergency Management Team would like to thank all department heads, employees and volunteers for their continued help and support throughout the year.

Respectfully Submitted:

WINCHESTER FIRE DEPARTMENT

6 Parker Street * Winchester, New Hampshire

Barry Kellom, Fire Chief

1 Richmond Rd * Winchester, New Hampshire 03470
(603) 239-6691

To the Citizens of Winchester,

Over the past 12 months the Winchester Fire Department has responded to over 229 calls. Those calls range from assisting with water in the basement to full structure fires. We are always looking to build capacity and to recruit new members. Staffing a full crew during a daytime event can be a challenge when so many members work out of town. However, as chief I am proud of the fact that all our calls are answered by the members that are local during the day.

The month of October was very busy for the fire department. With the wind storm that we received we responded to over 25 calls in an 8-hour period. The calls ranged from trees and wires down, LP gas odors, trees into houses, assisting people out of their homes and roads and assist with home oxygen. Fire personnel responded to these calls to make sure the public was safe. I would like to mention at this time that if you ever come across any wires down from the utility poles DO NOT attempt to move them. All wires are to be considered energized and could cause serious harm and or death if touched. Please call 911 and the fire department will respond.

We have placed into service two sets of RES-Q-JACK's. These are stabilization and lifting struts. These will be useful at motor vehicle accidents where there may be unstable vehicles that need to have patients removed from them or building stabilization. The members of the WFD have become certified boat operators through the NH Department of Safety. We will continue to train using our boat as well as our hovercraft.

Trainings this year for our department, we participated in vehicle stabilization, auto extrication, pump and tanker shuttle drills as well as ongoing in-house trainings. I would like to take a moment to commend the members of our department on their commitment and dedication to the safety and wellbeing of the citizens of our town. We are lucky to have such a hard-working group of men and women.

As a public service reminder, I would like to urge everyone to have your house or driveway clearly marked with your house number. This is imperative for all emergency services in case an event occurs and you and/or your loved ones need assistance.

Thank you for your continued support of the Winchester Fire Department. Remember. Working smoke detectors and carbon monoxide detectors save lives.

Respectfully Submitted,

Chief Barry Kellom

WINCHESTER HIGHWAY DEPARTMENT

14 FOREST LAKE ROAD * WINCHESTER, NH

Phone (603) 239-4811

Highway Department

2019 Annual Report

The department is operated by 5 employees including myself. These guys, two are new, are great heavy equipment operators and are willing to always go the extra mile in getting the job done. Please thank them for working hard cleaning up after the storms.

Generally, I highlight just winter storms, but be aware with the weather becoming more unpredictable we are experiencing more intense storms in the summer and fall that require cleanup efforts and repairs of damage.

This past winter we had 57 inches of plowable snow measured at the highway department. We also had 14 sleet/freezing rain events which combined resulted in treating the roads 30 times throughout the winter. Materials used for these storms were 1076 tons of rock salt and 2500 yards of crushed sand. This was the first year using crushed sand instead of screened sand. This was a great success as we were able to cut the amount of sand used by approx. 500 yards. Two benefits from this is better traction in the winter and come spring we can grade all this material right into the existing gravel building a better base.

We were able to pave a 1 inch wearing course onto just under 3 miles of the Old Westport Road starting at the five corners and Howard street to the cemetery just before Kelly's farm.

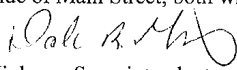

For regular maintenance, we continued with the overhead tree trimming and removal of dead or dangerous trees that were leaning over the roads; did our annual four weeks of roadside mowing with a rental tractor; ditching and grading gravel roads as need; weekly unplugging of culverts from beaver debris, street line painting; signage; cleaning catch basins; and sweeping streets, sidewalks and parking lots in the downtown area. This is on top of the regular maintenance and costly repairs we do on our aging equipment.

Fuzzy Brothers came in and crushed three thousand yards of winter sand from our own gravel pit saving us thousands of dollars.

We also regularly assist other departments such as the town beach with spring and fall work, cemetery with large projects or ones that need our equipment, water/sewer with certain repairs and breaks, and the town hall with moving furniture or other heavy projects.

We also are pleased to announce the success of two highway projects, the replacement of the "Cranberry" culvert on Back Ashuelot Road near J&G's and replacement of half of the sidewalk on the west side of Main Street, both with financial help from grant money.

Sincerely,

Dale Gray, Highway Superintendent

Home Healthcare, Hospice & Community Services
Report to the Town of
WINCHESTER
2019
Annual Report

In 2019, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Winchester. The following information represents HCS's activities in your community during the past twelve months.

Service Report

Services Offered	Services Provided
Nursing	1,565 Visits
Physical Therapy	1,148 Visits
Occupational Therapy	854 Visits
Medical Social Work	252 Visits
Home Health Aide	1,241 Visits
Chronic Care	1,027 Hours
Age in Motion	93 Sessions
Meals-On-Wheels	12,347 Meals
Healthy Starts Child Health and Prenatal Care	419 Hours
Health Promotion Clinics	34 Clinics

Financial Report

The actual cost of all services provided in 2019 with all funding sources is \$946,040.00. These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 2020, we request an appropriation of \$31,000.00 to continue to be available for home care services, and an appropriation of \$6,509.00 for the Meals-On-Wheels program.

We invite Winchester residents to visit our website at www.HCSServices.org for more information about our services. Thank you for your support.

A handwritten signature in cursive script that reads "Susan Ashworth".

Susan Ashworth
Director of Community Relations

LAND USE DEPARTMENT ANNUAL REPORT 2019

Planning Board, Zoning Board of Adjustment, Code Enforcement, Building Inspection, Health Office
And Economic Development

Planning Board:

The board accepts and decides on applications for subdivisions, site plan reviews, earth excavations, boundary line adjustments and lot mergers. The board is available for consultations and encourages a meeting with the board prior to any potential development.

The members of the board are Mike Doherty (Chairman), Gus Ruth (V. Chairman), Christy Davis, Kim Carl, Jordan Sharra, Dean Beaman (alt), Jennifer Rhodes and Herbert Stephens (Selectmen's rep). There are alternate positions open if you are interested in joining the board. The board meets the first and third Monday of the month at 7pm if there is business.

This year the board acted upon: Consultations- 1, Site plan- 2 approved; Convenience store & gas station (held up in court), and a landscaping/trucking business, Subdivision- 1 approved which included land dedication for widening of Old Spofford Road and 2 amended plans were approved., Boundary line adjustment- 4 approved, and Earth Excavation- 1 approved and 2 renewed. The board also worked with SWRPC on an age focused planning initiative.

The board will work on Zoning Amendments next year. These will be regarding food trucks, short term rentals, group homes and open lot storage accessory to a business. All are presently heavily restricted or not permitted and the board is considering making these uses less restrictive.

You may reach the Land Use Administrator during regular business hours if you need assistance at 239-4951 x6 or msharra@winchester.nh.gov. The Zoning Ordinance, all applications and regulations, notices and minutes are available at the town hall or online www.winchester.nh.gov/planning.

Sincerely,

Mike Doherty, Chairman

Zoning Board of Adjustment:

The ZBA hears and decides requests of variances and special exceptions of the Zoning Ordinance. They also hear appeals of equitable waiver of dimensional requirements, appeals of administrative decisions and requests for re-hearings. An administrative decision is a decision made by the Building Inspector, Selectmen, Fire Chief, Code Enforcement Officer or a Land Use board, and the appeal is when you disagree with a decision and you request for it to be overturned. The members of the board are: Lou Fox (Chairman), Bill McGrath (V. Chair), Jason Cardinale, Becky Roy, Brandon Day and Mike Doherty (alt).

The board meets the second Thursday of the month at 7pm if there is business.

The board heard the following cases:

Variance: 1 approved (lot frontage),

Special exception: 3 approved (Machine shop, trucking business & Senior Housing)

You may reach the Land Use Administrator during regular business hours if you need assistance at 239-4951 x6 or msharra@winchester.nh.gov. The Zoning Ordinance, all applications, minutes and notices are available at the town hall or online at www.winchester.nh.gov/zba.

Sincerely,

Lou Fox, Chairman

Building Inspection:

There were 109 permits issued in 2019. Many residents and developers are investing money into their properties. These improvements are additions and total renovations. Many bank owned properties have been purchased and extensively are renovated. This has improved the look of our neighborhoods and added value back into the town. Of the 109 permits issued there were 4 new homes, 3 mobile homes were replaced, and 3 homes were demolished and replaced with new homes, there were 13 properties extensively renovated, also there were 16 garages/barns/sheds, 15 decks/porches, 3 additions, 5 solar energy systems, and 44 other small types of permits. The town is looking for a permanent part time Building Inspector. Presently we have a temporary part time inspector. Call 239-4951 x6 for hours. The inspector works closely with the Fire Chief and Code Enforcement Officer to insure structures are code compliant, and with residents, to bring construction projects to completion. Building permits are required for most forms of construction. The applications are available on line at www.winchester.nh.gov or at the Land Use Office during regular business hours.

Health Officer:

Margaret Sharra is the town's Health Officer. The Deputy Health Officer position is open, please let us know if you are interested. These positions work closely with the Code Enforcement Officer and Fire Chief addressing complaints of poor living conditions and coordinating with state agencies on health updates and other health related issues. There are serious national concerns with hoarding, "where someone saves and saves items to the extent the clutter creates problems in living". There are many people in our community who save too many things, which in the long run creates health hazards, unsafe living conditions and, when the yard becomes filled with second-hand materials it then becomes a zoning violation. Please contact this office if you know someone who use some assistance with this matter.

Code Enforcement:

The town continues to combat "junky yards". While we have had many successes, it is still an ongoing battle. The town has prevailed in many cases with court action and clean ups. Please do not store second-hand materials, unusable, inoperable and broken items on your property. Not only is it a violation of the Zoning Ordinance but it is unsightly and affects the value of your home and your neighbors. Let's take pride in our properties. As a reminder all but ONE vehicle on your property must be registered AND inspected. If you have problems disposing of items, please contact this office, we have information that may help you. This office also investigates complaints of substandard housing. Zoning enforcement is the enforcement of the Zoning Ordinance, and of decisions by the Planning Board and Zoning Board of Adjustment. To reach the office call 239-4951 x6.

Land Use Administration:

The Land Use Administrator takes care of all the administrative, technical and advisory services for the Building Inspector, Health Officer, Code Enforcement, Planning Board and ZBA. The office is open full time Monday - Friday and is ready to assist residents and developers with questions, applications, appeals, interpretations of requirements, copies of tax cards, and property information. All documents are available on line at www.winchester.nh.gov/landuse or at the town hall in the Land Use Office.

Sincerely,

Margaret Sharra, Land Use Administrator/Code Enforcement Officer/Health Officer

Economic Development:

Members of Town government have been working diligently on improving the economic wellness of the town. This includes supporting the Winchester Economic Development Committee with their dedication to the development of the Stone Mtn. Business Park. Road construction for the park is planned for summer. Please check other department reports for the status of the many ongoing improvement projects. In January of 2019 the town hosted an economic forum, an update to the 2008 Charrette. The forum was attended by over 140 people. It was noted many goals of 2008 were achieved. This was accomplished with the collaboration of the many different committees, groups and other individuals. Great ideas were shared at the forum and some of the suggestions have already been implemented (new town website, newsletters). Winchester must continue this positive momentum to reach our dreams and goals for future economic vitality of our town.

September 10, 2019

Board of Selectmen
Town of Winchester
1 Richmond Road
Winchester, NH 03470

Dear Selectmen,

Monadnock Family Services (MFS) continues to actively assisting residents of Winchester who are in need of quality mental health counseling and rehabilitation services. In addition to being the region's only emergency mental health crisis service, MFS offers a variety of innovative treatment programs for our community. Our Adult Outpatient Services program provides mental health evaluation and treatment, as well as medication evaluation and monitoring, counseling and specialized group services. Our Child, Adolescent & Family Services program is designed to support and promote good mental health in children and every member of the family. The Monadnock Substance Abuse Services program helps people develop new, healthier behaviors and make positive changes in their lives. Our broad array of services to residents of Winchester might also include the Monadnock Volunteer Center, InSHAPE and Supported Employment for Adults and Children, or the Monadnock Adult Care Center.

Your financial support of our work will benefit your friends and neighbors receiving help at MFS, and we hope that our partnership in caring for the residents of Winchester will continue. Please know that we continue to actively pursue many other sources of funding as well, such as Monadnock United Way, grants, foundations and local fundraising efforts conducted in concert with our Board of Directors. Each source, however, helps with only a portion of the total cost of care.

We thank you for your past financial support and ask for your continued allocation to help underwrite the cost of services we provide to the uninsured and underinsured individuals in your community. In FY 2019, MFS provided over \$139,600.00 in discounts to the 184 consumers in Winchester who we cared for. We expect that an additional \$63,777.00 will likely be written off as uncollectible. To help close this gap, we are asking for the equivalent of \$1.25 for each resident of Winchester which, based on the 2010 US Census, amounts to \$5,426. We have enclosed specific information for you about the services provided to residents of your town. If you have questions, or require additional information to support your decision, please contact me at 603-283-1568 or mdelisle@mfs.org.

Your support is very important to us. By working together, we help to insure our communities remain healthy and vital places to live work and grow. Thank you for your consideration.

Sincerely,

Mary Delisle
Director of Development

**Monadnock Family Services
Annual Report to the Towns
For the year ended June 30th, 2019**

Town of: WINCHESTER/ASHUELOT

**Monadnock Family Services provided the following services to
your town's residents this last year:**

In addition to the above discounts current outstanding and uncollectible resident balances:	\$63,777.00

TOWN OF WINCHESTER, NEW HAMPSHIRE

POLICE DEPARTMENT

Mike T. Tollett
Chief of Police

Police Department Town Report 2019

Today's professional police environment is complex and challenging. With increasing demands, internal and external pressures, and ever-changing technologies, the profession continues to evolve, growing more multifaceted every day. The Winchester Police Department continued to work diligently to elevate ourselves as a positive community partner, demonstrate proactive policing and do our utmost to provide professional services to victims of crime. Our mission statement was re-written, a vision statement was added, and our core values were brought front and center. These updated statements and values will allow the public to know about our department and what we stand for as well as remind us why we work for the citizens of Winchester.

We have eight full time positions for police officers. 2019 saw us lose two officers to other local agencies. With two officers leaving us this year we were short staffed once again. We brought in Officer James Fisher who is full time certified and was able to hit the ground running. As of this writing we are still down one full time officer. In the ever changing and highly competitive police profession we, like many other departments find it difficult to attract and more importantly, retain qualified police officers. Both full time officers that left for other departments were offered either better pay and or better benefits. I will continue to work with the Select board in the hope of being able to increase the pay for our police officers and all town employees. Until we find a solution to offer competitive wages, we will continue to be a department that trains officers only to have them go elsewhere after a few years.

We have two warrant articles on the ballot that I hope you will support. The first is requesting the monies for a 2020 Police Interceptor SUV. We currently have three police vehicles that, in most departments, would have been replaced already. It should be noted that we perform regular preventative maintenance on all our vehicles and track every expense and repair. Secondly, officers are assigned to specific vehicles to spread out mileage and use. Our three oldest cruisers are listed below.

Unit 2: 2009 Crown Victoria

Mileage: 179+

Repair Total this fiscal year = \$1,454.

Total Repairs since September 2016= \$2,652.89

Unit 3: 2014 Ford Interceptor SUV

Mileage: 135,000

Repair Total this fiscal year = \$3,215.

Total Repairs since August 2016= \$12,777.73

Unit 4: 2008 Crown Victoria

Mileage: 166,500 Engine Hours Total: 5595

Winchester Police Department
6 Parker Street Winchester, NH 03470

Telephone: 603-239-4814, After Hours/Cheshire County Dispatch: 603-355-2000, Fax: 603-239-6845

118

TOWN OF WINCHESTER, NEW HAMPSHIRE

POLICE DEPARTMENT

Mike T. Tollett
Chief of Police

Repair Total this fiscal year = \$2,952.
Total Repairs since July 2016= \$5,479.87

Units 3 and 4 are front line cruisers; meaning they are on the road every day. Unit 2 is assigned as the detective's cruiser.

The second warrant article we ask you to support is to place \$13,000 into our police cruiser capital reserve fund. This reserve fund will enable the department to purchase a cruiser on a regular schedule every two to three years. This would also assist us in not having to ask you, the citizens, to fund a cruiser outright. If we use this type of sustainable plan, we will not find ourselves so far behind in maintaining an updated, safe and modern police fleet.

We realize the town's tax rate increased and the burden to fund the town falls on the hard-working citizens of Winchester. With that being said, the demand for police services has not, and will not decrease. We are not asking you to vote YES for another police cruiser because we want to. We simply will not make it another year with the cruisers we have now. Units 3 and 4 are in the repair shop more than on the road. The safety of our officers responding to calls is paramount and we must be able to provide them with police vehicles that are road worthy and safe. *Thank you in advance for your support and YES vote on these two police articles.*

We have continued our partnership with the New Hampshire Highway Safety Agency, which has provided valuable overtime grants to improve our motor vehicle enforcement capabilities. This grant year cycle we received over \$9,000 in grant funds. The monies provide an opportunity for officers to increase police visibility on the roadways and thru these enforcement efforts keep our roadways safer.

Our department has continued to participate in community programs, such as the D.A.R.E. program at the Winchester School and our House Check Program when residents go away. We continue our partnership with the Drug Enforcement Agency in providing our biannual Prescription Drug Take-Back events. As a reminder, we have a CVS drug take back box in the lobby of our department. Partnerships with the "We've Got Your Back" Coalition continue to make inroads in our community by providing education, support and resources for our community members that struggle with drug addiction. The police department and the coalition is prevalent in the Winchester school helping students to realize their full potential by making safe and drug free choices.

We are fortunate to have Detective Michael Carrier on our Team. His dedication to our department, the investigative process and the victims of crimes is unparalleled. Our relationship with the Monadnock Regional Child Advocacy Center in Keene continues to show results and place the welfare of young victims first. We hope to not have to use the center to forensically interview young victims of physical and sexual abuse but 2019 saw us refer 25 young persons for interviews. To put that referral number in

Winchester Police Department

POLICE DEPARTMENT

Mike T. Tollett
Chief of Police

perspective Hinsdale police referred 34 and the Keene police referred 32 young persons. We keep the safety and well-being of the victims of these types of crimes at the fore front of the investigations by utilizing the Child Advocacy Center. When our victims do disclose crimes, this established and evidence-based process allows Detective Carrier to build excellent cases so that we can partner with the Cheshire County Attorney's office to prosecute suspects effectively and to the full extent of the law.

Our officers are working hard to serve and protect the community while maintaining the highest levels of care and respect for its citizens. Our officers' levels of training continue to increase, to more effectively and professionally serve the residents of Winchester. We are fortunate and proud to be working alongside the Winchester Town Highway Department, Winchester Fire Department, Winchester Ambulance Department and the Winchester Water Department to provide the best public safety services possible to the citizens of Winchester.

2019 Statistics:

TOTAL CALLS FOR SERVICE-	6,863
TOTAL ARRESTS-	130
TOTAL MOTOR VEHICLE ACCIDENTS (ALL)-	115
TOTAL MOTOR VEHICLE STOPS-	2,394
DOMESTIC DISTURBANCES-	94
TOTAL PAPER SERVICES-	400
VIN VERIFICATIONS-	62
MOTOR VEHICLE LOCKOUTS-	29
ASSIST CITIZEN(S)-	384
SUICIDE THREAT/SUICIDE ATTEMPT-	41
DISTURBANCES-	89
JUVENILE OFFENSES-	53
ANIMAL COMPLAINTS-	223

Mission Statement:

The mission of the Winchester Police Department is to create a safer Winchester by reducing crime, ensuring the safety of our residents and building trust; in partnership with our community.

Vision Statement:

We are a source of pride for the residents of Winchester, admired among law enforcement agencies county and statewide, recognized for our professionalism, integrity and service to our community.

Revitalization and Economic Development (RED) Committee 2019 Annual Report

The Winchester RED Committee is committed to promoting, utilizing, and preserving the many natural and historic assets of Winchester. We strive to provide ways for the community to come together, interact, and support local businesses.

In the spring, the committee sponsored the third annual Winchester Local Food Festival featuring live music, a cooking demo, and lots of free local goodies. Attendees and vendors alike had a great time and the turnout was even better than last year with a steady stream of people. The Town-Wide Clean Up was held the same day and removed over 200 bags of trash from our landscape.

We kicked off summer with the fourth season of Winchester Music in the Park. This awesome ten week concert series runs from June to August and showcases music of many genres including rock, classical, and bluegrass. The delicious Frosty Fruit Pops offered by Cheshire Garden were a wonderful addition to the music this year.

In September, our members organized the 2019 Dinner on the Ashuelot Covered Bridge. The magical night sold out once again, and was complete with live jazz music, a three-course meal, and dancing. We were thrilled to provide donations totaling \$3000 to The Winchester Historical Society and The Ellen Lambert Murphy Memorial Community Center.

Finally, the Farmers Market wrapped up the year with a Holiday Bazaar that included live music, crafts, and an array of different vendors. The Farmers Market continues to be a hub for vendors of local goods on Saturdays from 10:00a-2:00p, but will take a break in 2020 from January to April.

We'd like to thank all of the businesses and individuals who help us to provide these events throughout the year. We do not receive any taxpayer money from the town and we rely solely on fundraising to finance our endeavors. Our volunteers and sponsors make it possible to continue enriching the town and facilitating interaction between citizens and businesses. If you are interested in the betterment of our town and would like to join us, we meet at 6:00p on the second and fourth Wednesdays of each month in the basement of Town Hall.

Respectfully Submitted,
Devon Snikeris

Winchester/Richmond Solid Waste Management District 2019 Annual Report

The following is a list materials and estimated weights of different categories handled at the Transfer Station handled this past year: 2019

Municipal Solid Waste (household rubbish)	2534.30 tons
Glass	60.17 tons
Co-mingled (tin, aluminum, plastic)	40.59 tons
Metal	27.73 tons
Mixed paper including cardboard	123.98 tons
Tires	192 each
Construction and Demolition debris	169.95 tons
Waste Oil	245 gal.

Brush, branches less than 5" in diameter, clean wood (no paint, no stain, no plywood, no metal or wire fence) are allowed in the burn pile. No household hazardous waste will be accepted at the Transfer Station. Watch the Monadnock Shopper and Keene Sentinel for dates. This waste will be accepted at the Keene Transfer Station, which may require a fee.

Stickers to gain access to the facility are available at both Richmond & Winchester Town Halls and at the Transfer Station. The cost is \$20 for the 1st permit and \$1 for other vehicles at the same residence. The stickers are valid from October 1st through September 30th each year.

Town of Winchester/Richmond Transfer Station Fees- July 2019

Refrigerators/ Freezers/Air Conditioners (Any unit with Freon) = \$25.00	Truck Tires W/Rim = \$20.00
Sofa/Couch/Loveseat = \$20.00	Tractor Tires: \$35.00

Renovations for small efficiency two rooms above the Library have been renovated. Our Board of Trustees has gotten smaller due to people having other obligations or moving away. We welcomed new comers who love to share ideas. We have outsourced a bookkeeper who also works with another Library's. This has helped tremendously with software and with the town audit. Our Librarian has big heart for children, and she's started going to the local Head Start to read story's, craft projects and shared books with children. They were so happy and there was a great turn out. At Easter time we colored eggs and other Easter related crafts. We still have more to be done to the library inside and out, slowly we are getting there.

TOWN OF WINCHESTER WASTEWATER TREATMENT FACILITY #NHGS80404
ANNUAL REPORT 2019

The Town of Winchester Wastewater personnel are responsible for all aspects of the collection system. Inspection and maintenance of Winchester's sewer mains, four pump stations and manholes are performed on a daily, weekly and on a semiannual basis. Regular maintenance of the pumps, pipes, valves, and processing equipment at the treatment plant ensures waste is being removed safely and efficiently before being discharged into the Ashuelot River.

The Winchester Wastewater Treatment Facility processed 56,606,500 gallons of Influent and discharged 42,890,000 gallons of treated effluent to the Ashuelot river. Chlorine residuals and the pH levels of the influent and effluents are tested daily. Weekly and monthly samples are collected and analyzed for percent removal, micro biological inventory, settleability of sludge, and disinfection effectiveness at the plant's laboratory and additionally analyzed by contracted laboratories. Winchester's sewer department and water department personnel are interdepartmentally cross trained in water, sewer and highway departments giving the town an opportunity to reduce costs associated with sub contracting and outsourcing.

Municipal sewer users are billed quarterly at the same time as the water bills. In the fiscal year of 2018-2019 the department exported 4212 bills in the amount of \$371,878.77 to Winchester's tax collection department. Winchester's Wastewater Treatment Facility processed 542,451 gallons of residential septage creating \$40,646.50 in revenues.

In 2019, the United States Environmental Protection New England presented the Town of Winchester Wastewater Treatment Facility an award for excellence in operations and maintenance. Maintenance on the infrastructure and the treatment facility are imperative to effective and efficient processing of waste. Upgrades and projects at the treatment facility included lifting and enclosing the soda ash system to create a suction head to the chemical pumps; improving the septage receiving unit with a basket system for collecting debris; continued working on the garage that will serve as additional storage for equipment, tools and parts. The new garage space also serves as a mechanic shop offering the department staff a weather free space to maintain their equipment. Winchester wastewater facility piloted both the Ekoton and Rocker screw presses to assist in determining proper solids handling equipment for wastewater facilities and has partnered with Merrimack Composting Facility to receive our dewatered sludge. In the fiscal year 2018-2019 with their pressurized water jetter, the department personnel performed a much-needed heavy duty cleaning of the sewer mains along Ashuelot Street and Keene Road. Aside from their regular daily maintenance, pump stations located off Plumb Pak Road, Ashuelot Main Street and Broad Brook all had significant upgrades to enhance their functionality. The pump house on Plumb Pak Road made an upgrade to the Generac generator with a newly installed Dygen controller. The Ashuelot Main Street pump house was equipped with two new gas heating units and both Ashuelot pump houses were upgraded to energy efficient LED lighting.

In 2019 the water, sewer and tax collection department collaborated to expand its customer service with going green. In addition to paying your invoices online, the water, sewer and tax collection department has introduced paperless billing in an effort to reduce the costs associated with postage and paper. Access Winchester's website at <https://nhtaxkiosk.com/?KIOSKID=WINCHESTER> and your name, street address or map and lot numbers to access information associated with your account and to register for emailed bills. The Winchester Wastewater Treatment Facility, located at 64 Duso Rd., Winchester, is open Monday through Friday, 7am to 3:30 pm.

Respectfully,

Richard Meleski, Superintendent

**TOWN OF WINCHESTER
WATER DEPARTMENT #2531010
ANNUAL REPORT 2019**

The Water Department is municipally owned by the Town of Winchester. All of our water is produced from three gravel packed wells; two wells are located on Keene Rd. and one on Richmond Rd. During the fiscal year of 2018-2019 Winchester Water Department delivered 7,171,220 gallons of safe drinking water to over 1100 municipal water connections through 30 miles of underground water main. Each well is monitored daily by operators licensed by New Hampshire Department of Environmental Services (NH DES). Quarterly meter reads generated 4,212 water bills this year. Invoices in the amount of \$293,488.77 were exported to the tax collection department for processing and collection. In May of 2019, Tata & Howard presented a completed water rate study to the Board of Selectman and the residents of Winchester. Results of the study included a recommended increase to water fees. Revenues collected will support the upgrade and maintenance of Winchester's water infrastructure and capital improvement plan.

Operators maintain all aspects of the municipal water system and its infrastructure, water pumping stations, vehicle fleets, the department's tools and equipment. Daily tasks include department operators exercising and inspecting gate valves, water service valves replacement, replacing expiring water meters, thawing frozen water lines, and always responding to consumer emergencies, concern and inquiry. Asset management, data collection, research and working with engineers on projects that will protect Winchester's resources and explore opportunities that promote growth in Winchester are ongoing. In the fiscal year 2018-2019 the Water and Sewer department welcomed Justin Ruskowski as a part time operator's assistant. Granite State Rural Water assisted personnel with data collection and cataloging assets into the GIS mapping programs in the north east section of the distribution system. Water wells located on Keene Road and off Richmond Road were evaluated for performance by Weston & Sampson. All three wells were up graded with new Allen Bradley PLC's and OIT panels. Department personnel performed the necessary borings to determine the site and the precise position of the new water storage tank to be constructed off Richmond Road. Together with Tata & Howard, the department personnel reached 95% of the design phase for the Richmond Road water main improvement project. In the summer of 2019, Lawrence Excavating and the Town of Winchester Water and Sewer Department, equipped Jones Road with 1700 feet of 8" C909 water main and four new fire hydrants to ensure adequate fire protection to those fourteen residences. Each home was issued a meter pit with heat tracing that helps protect individual services from winter freezing, then this project was completed with improvements to the road and drainage system. New water services were issued to each building on Main Street during the new sidewalk project completed Elite Construction. The Town of Winchester contracted the Frank Lucius Construction Company to install a new culvert on Back Ashuelot Road at the cranberry bog. Water Department personnel assisted with the addition of a new 8" DI water main during this project.

The health and safety of Winchester's water consumers is our priority. Winchester's Water Operators are responsible for recording daily water output, Ph, orthophosphate residuals, chlorine residuals, and water temperature for Winchester's three water wells throughout the distribution system. Both point of entry and source water samples are collected on a monthly, quarterly and on an annual basis and analyzed at a state certified laboratory for bacteria, lead and copper, organic and inorganic compounds. All data collected is reported to and reviewed by Winchester's monitoring authority, NHDES. For testing water results and the monitoring schedule please visit <http://www2.des.state.nh.us/DESOnestop/PWSDetail.aspx?ID=2531010>.

Respectfully,

Richard Meleski, Superintendent

To the Citizens of Winchester and Ashuelot,

My name is Kevin Bazan and I lead a group of residents who plan the annual Winchester Pickle Festival.

On September 28, 2019, the town of Winchester celebrated the 22nd annual Pickle Festival. It was a beautiful early fall day and thousands of people from Winchester and beyond descended on our town to enjoy the Pickle Parade, live music and over 80 vendors that were spread along Main Street, Parker Street and Durkee Street.

In recent years, we have brought back the famous canning contest to the event, the pickle eating contest and everyone gets free pickles next to the Kiwanis booth at town hall. The cost of the pickles is funded by a Warrant Article each March. Thank you for supporting the distribution of free pickles at the festival! We would also like to thank the numerous businesses and individuals who have donated to the event.

Also new this year, we helped plan a Pre-Pickle Party at the ELMM Center on Friday night September 27th. Families enjoyed live music, food and a bonfire.

This past May, the Winchester Pickle Festival awarded \$2500 in scholarship money to three Winchester seniors that attended Keene High School. All three demonstrated how they volunteered in the community, much like the late Robert Leustek. We have named the scholarship in Robert's memory.

The Winchester Pickle Festival is constantly looking for volunteers. Planning for the festival occurs all year. Consider helping us coordinate this great event! We also need people who can help us out on Pickle Festival day for an hour or more. Email Winchesternhpicklefestival@gmail.com for more information.

Plan on joining us on Saturday September 26, 2020 for the 23rd Winchester Pickle Festival!

Sincerely,

Kevin Bazan

Winchester Pickle Festival Committee President

ARTICLES

Article 2: Shall the Town of Winchester raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$3,494,901 (Three million four hundred ninety four thousand nine hundred one dollars). Should this article be defeated, the default budget shall be \$3,512,588 (Three million five hundred twelve thousand five hundred ninety eight dollars), which is the same as last year, with certain adjustments required by previous action of the Town of Winchester or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Majority vote required)

- Recommended by the Board of Selectmen 5-0
- Recommended by the Budget Committee 5-0

Winchester Town Meeting

Moderator Rules of Procedure

As provided by RSA 40:4, the Moderator may establish the rules to be used at Town Meetings. The general rules or any specific rule or ruling made by the Moderator during the meeting may be overruled by a vote of the townspeople RSA 40:6. A voter may raise such a request by calling a Point of Order. A Point of Order takes precedence over all other discussion and may be called at any time.

Robert's Rules will not be used. The main objective is to avoid getting bogged down in procedural quagmires and to encourage free, open and adequate debate.

The Articles will be considered in the order that they appear on the Warrant. The Moderator or the voters may elect to change the order if doing so will make good sense in the discussion.

The Articles will be considered as follows:

- The Article number will be announced and the text will be presented in full.
- The Moderator will seek a person to move and second the consideration of the Article.
- Upon being properly moved and seconded, a person, usually a Selectman or the Petitioner will be recognized to explain and defend the Article. Presentation should be to the point and as short as possible to convey the required information.
- The Article will be placed on the floor for debate and final vote.

Non-residents of Winchester will be allowed to speak upon agreement of the majority voters present. The following rules will apply to all speakers:

1. No one shall speak unless recognized by the Moderator. Only one speaker will be recognized at a time and those who have not spoken on the Article will be given preference. The audience shall maintain decorum so that the speaker may be heard by all.
2. Each speaker shall use the microphone and provide his/her name and street address.
3. Speakers should be concise and not repeat information already presented. A speaker may speak only with respect to the Article on the floor, except
 - a) a motion to amend the Article on the floor may be made, or
 - b) a motion to Call the Question may be made.
4. Motions made to amend an Article must be made in writing before going to the microphone.
5. Only one motion to amend will be allowed on the floor at a time.
6. Motions must be worded in a positive sense. Motions which require a "NO" vote to take a positive action will not be allowed. For example: "I move that the budget not be adopted." is unacceptable.
7. Call for Question motions to limit debate shall require 2/3 or more of those voting to pass. A motion to end debate is subject to the following limitations:

a) persons standing in wait at the microphone or those who have been recognized as in line to speak will be allowed to speak before the Call for Question vote is taken or

b) if the Moderator is of the opinion that the voters have not had adequate opportunity to discuss an issue, a Call for Question may be refused.

6. Speakers shall maintain respect for all others and shall address only the Article and not direct comments, other than questions, to other individuals. The Moderator may choose to allow a person to respond to a question raised from the floor. Speakers who are repeating points previously made in the discussion or who are taking excessive time will be asked to end their presentation.

7. If any person behaves in a disorderly manner or willfully violates any procedural rule and, after notice from the Moderator, persists in such behavior, that person shall be removed from the meeting. (RSA 40:8)

8. Voters will signify their vote by raising their hand until they have been counted by the Moderator. A majority (50% plus 1 vote) of those voting is required to pass an article; a tie vote fails. Any voter may request a recount or a secret ballot. A secret ballot will be allowed provided that at least three voters support the call. The names of those requesting the secret ballot shall be recorded. A vote that does not meet the required percentage after being rounded down, shall not pass. In order for an article to pass, the vote shall be at least the required percentage (50% or 66.7%) plus one vote.

9. Any vote on a bond issue of \$100,000 or more shall be made by secret ballot.

10. Motions to reconsider an Article of an article may only be made immediately following the vote on the Article or sub-section. The following limitations apply to reconsideration:

a) Mandatory Reconsideration (RSA 33:8-a): If a motion to reconsider a vote on a bond issue for \$100,000 or more passes, the Article may not be reconsidered until a reconvened Town Meeting for this purpose is held. The reconvened Town Meeting must be held not less than seven days after the original vote. This provision is automatic without the need for voter approval.

b) Optional Reconsideration: Voters may postpone reconsideration of any Article by voting to restrict reconsideration in accordance with RSA 40:10. If the voters pass such a motion, then the Article may not be reconsidered until a reconvened Town Meeting for this purpose is held. The reconvened Town Meeting must be held not less than seven days after the original vote.

c) Reminder: Any rule of the Moderator or a decision made by the voters may be modified at any time prior to the end of the Town Meeting. Therefore, it is not possible to absolutely prevent reconsideration of an Article.

11. The Moderator may vote on all Articles. However, the Moderator plans to vote only if it is necessary to break a tie that will cause the amendment or article to fail or if the article wins by one vote the moderator will then vote against the article to make it fail.

12. If a cell phone or other electronic device goes off except town owned devices those used for fire/police/EMS there will be a \$1.00 (one dollar) fine, payable to the town clerk for use for new Children's books for the library, per RSA 40:7. The town moderator will also place \$20.00 (ten dollars) donation/fine can, toward the same regardless if any devices go off or not.

Denis V. Murphy II

Dear Winchester Residents,

As I reflect back on my four years on the Winchester School Board and second year as Chair I am filled with an immense amount of pride in the Winchester School and greater Winchester community. Amazing things are happening at the Winchester School and in our community. If you haven't joined us for a Title One night, a PTA dance or middle school sports event then you are missing some amazing opportunity to see your community in action!

I want to thank the entire School Board for their ongoing commitment to the Board and School. I was joined again this year by Kevin Bazan, Vice Chair and members Val Cole, Tina Perkins and Ailliea Carle; we had full membership this year! The Board negotiated a new Winchester Support Staff contract, took action against the State of New Hampshire to push for a better funding plan and continued efforts toward the capital improvement plan.

When I was elected four years ago I set out with several objectives that I thought may be important to the Winchester School. The first was to help solidify a leadership structure for our District. I expressed concerns about the lack of consistent leadership in key roles, specifically the Superintendent, Principal, Vice Principal, Business Manager and Facilities Manager. That lack of consistency was eroding at the successes of our School. Without a consistent model to follow, our staff and students were suffering from an inability to plan, implement and see through goals for success.

I am very pleased to welcome back Superintendent Ken Dassau, Principal, Valerie Carey, Vice Principal Gary Tashjian, Business Manager, Mary Henry and Director of Facilities, Ian Spencer as the administrative team to the Winchester School. This team works above and beyond a standard work week to ensure the staff, students and community is served to the highest level of professionalism. I am continuously amazed at their drive to do the good work they do for us. They are working together to form a comprehensive long term plan for the Winchester School and it is a wonderful thing to be a part of.

The second objective was to help support a plan to progress these goals. The administrative team has worked to set goals specific to advancing administration/finance, special education, the overall facility maintenance and technology advancement and the Board wants to encourage and support those goals. Over time these goals will cumulate into an even better ability to budget for the future, a reduction in overall special education related costs, help keep a maintained facility without need for a bond and offer a competitive education in technology.

With the Administrative staff noted above all returning for a second full year in their respective roles we have not only had an opportunity to set goals, we have been able benchmark those goals and then set new goals for the 2020-2021 year based on successes (and sometime failures). I am very proud of the work that is happening to provide a plan for the future of the Winchester School.

The third objective I had is for us to be held accountable to the success of the Winchester School. All of us. The Board, the Administration, the Staff and the Community. We are all responsible for what

happens to our children. They are our future. We have to work together and put the time in to come up with great ideas to further our School's success.

What are YOU doing for your community?

I am a bit of a M.A.S.H fan so I leave you with this quote: "People don't plan to fail, they fail to plan". Get out there, make plans, and get the future happening.

Respectfully Submitted,

Lindseigh Picard
Chair, Winchester School Board

Kenneth R. Dassau, Ed.D.
Winchester Superintendent Report 2019-2020

It's a privilege to serve as the superintendent for the Winchester School District community and work with the administrative team, faculty and staff. The educational reports along with the 2020-2021 warrant articles and school budget appear on the following pages. The Winchester School Board and the residents of Winchester are commended for efforts to continue to improve the district's educational programs and maintenance of the school facility.

The August start of the school year showed the Winchester School looking better than it has in many years. The support of the Winchester voters for the Capital Plan and 2020 Budget allowed our Facilities Director Ian Spencer and maintenance staff to start the year off with several projects. Director Spencer explains they completed the Elementary HVAC project, three sections of roof, and a lot of overdue painting, in addition to our normal summer cleaning. The Elementary HVAC project has greatly improved the comfort in the Elementary building and saved \$13,207 as of January 14th in fuel compared to last year. Another Homeland Security Grant has been approved and funded. This Door Access/Security project is underway, it focuses on improving access control and making interior doors easier to secure quickly. With 80% of the money coming from Homeland Security this is another great opportunity to improve the Winchester School without over burdening the taxpayer. Director Spencer still has two more grants that Homeland Security has approved at 80% and he is hoping to see them funded this coming year.

ConVal/Winchester et al Suit: March 21, 2019 at the regularly scheduled meeting of the Winchester School District, the Winchester School Board voted unanimously to partner with the Contoocook Valley School District's educational funding litigation. The School Board, through its attorney, Michael Tierney, filed an Amended Petition and a Motion for a Preliminary Injunction in Cheshire Superior Court. The Winchester School District's Motion mirrored that of the ConVal District using the State's own formula and the State's own data, to demonstrate how the State's base adequacy funding falls far short of constitutionally sufficient funding for the children of the Winchester School District or New Hampshire. The NH Supreme Court deciding on the Claremont case twenty years ago stated it is the state's responsibility to meet its constitutional responsibility to provide an adequate education. And we've waited until we realized again that after twenty years, that the was not willing to step up and fund the cost of an adequate education. The State's current adequacy funding of only \$3,636.06 per child does not fund the actual costs incurred by Winchester. Per the state's own formula the Winchester's average per pupil cost is many times this amount. Why the discrepancy? Because the State formula does not fund the actual transportation costs, does not apply the actual teacher-student ratios, does not accurately reflect the actual benefits required by the State, does not provide any funding for school nurses, superintendent services, or food services as required by state law, and provides less than 20% of the actual statewide average facilities operations and maintenance costs. Hence it derives a number that falls far short of a constitutionally sufficient funding for the children of Winchester. With no reduction relief from our property tax action was filed seeking the State to fulfill its promise to our children and to bring relief to the local taxpayers. The request for injunctive relief is in the amount of \$10,891.73 per pupil. Though the court

decided in favor of the Winchester and other member districts that decision is now wading through a lengthy appeals process.

This report does not capture the numerous accomplishments and initiatives occurring in the School District. I'm grateful to be working in a district with the experience and competence of its central office team, great teachers, staff, students, and a school board membership who serve because they believe that a good education is the pathway to success. You all make the Winchester School a great place. To become more informed about the Winchester School you are encouraged to: read the Newsletters posted every Friday, download the Winchester District app for easy access to school events, visit the District Facebook page, visit the School District website: www.wnhsd.org visit the school, and, if you are a parent, talk frequently with your child's teacher.

Dear Winchester Residents,

I am honored to share another annual report from our Winchester School. We are proud of our school community, and would love for you to know about what we have been up to.

We are fortunate to be in our second year with the same administrative team- Superintendent Ken Dassau, Assistant Principal Gary Tashjian, and myself as the principal. The consistency is so important to us, as we work hard to follow through with our long-term planning and initiatives for growth and improvement throughout the school. We have worked this year to articulate district goals, so that we may all stay focused and accountable for our improvement.

Academic Goals:

- Improve state wide test scores by implementing improved assessment tools (such as Fountas and Pinnell Benchmarking and Aimsweb assessment) to effectively identify student academic needs, and further, by engaging staff in high quality professional learning through Math Solutions to increase student depth of understanding of math concepts. [Math Solutions is a consulting firm contracted by the school district through the use of Title IV funds which provides instructional coaching and content training]
- Improve reading instruction in the primary grades by implementing a sequential and consistent method for phonics instruction (Lively Letters), and by utilizing improved understanding of benchmark assessment data to provide differentiated instruction and appropriate interventions.

In addition to professional development our whole staff is engaged in, several staff members are working on additional degrees in education. I'd like to acknowledge one such educator in particular. We are extremely proud to announce that 6th grade teacher, Heather Pelkey, has completed her doctoral program in Leadership and STEM Education, and has successfully defended her dissertation. Congratulations to Dr. Heather Pelkey. She is an inspiration.

At the end of this academic year, our school will say goodbye to two educators who have given much time and energy to supporting our students. Rhonda Taylor, primary grades special educator of 33 years, will retire and move on to her next adventure. I'm sure we will see her around riding her bicycle, running, or kayaking. We will certainly miss her experience and expertise at the school, but she has definitely earned some free time. Our occupational therapist, Lauri Olson-Porter, will also retire in June. She has been a member of the Winchester School for 18 years and has split her time between our school and Hinsdale. She has been a valuable resource to all of our teachers for consultation and advice about student needs, and to our students for necessary services and support. Lauri has many talents and hobbies, for which she will have more time in her retirement. We are grateful for all her years of service to the community of Winchester.

Sadly, we began this school year having to say a final goodbye to another member of our school community. Cyndy Ryder was an active member of many community organizations including CAST and the school wellness committee. She often stood up to support our school community. She valued education and advocated for measures to improve the health and wellness of our children and families. Cyndy famously reminded us regularly that "An ounce of prevention is worth a pound of cure." We work to operate with that philosophy in mind every day at the Winchester School.

One way we are working to support student wellness and prevent future concerns is by implementing a Social and Emotional Learning program call Choose Love. This program was part of the recommendations put forth by the Governor's Task Force on School Safety. The program was developed by a mother who lost her son to the Sandy Hook School shooting. She was committed to finding ways to help children connect to their school and community and to take care of one another. The program materials are free and very well designed. Our counseling staff and assistant principal are teaching these lessons at all grade levels.

We continue to be thankful for all of the organizations and individuals who help our school community's efforts to connect with all students and families. We have had tremendous support from ACCESS, The ELMM Community Center, NHDI, The Winchester PTA, The Sports Boosters, and many community businesses and individuals over the recent years. Thank you for your support. It makes a world of difference to come together in support of our collective children.

We at the Winchester School look forward to a strong finish to the 2019-2020 school year, and constant improvement for an amazing 2020-2021 school year. Don't forget to like our Facebook page, follow us on Instagram, visit our website (www.wnhsd.org), and/or download our App (Winchester School District, NH).

Sincerely,

Valerie Carey
Principal

OFFICIAL BALLOT
ANNUAL SCHOOL DISTRICT ELECTION
WINCHESTER, NEW HAMPSHIRE
MARCH 10, 2020

INSTRUCTIONS TO VOTERS

A. TO VOTE, completely fill in the OVAL to the RIGHT of your choice(s) like this:

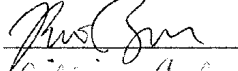

B. Follow directions as to the number of candidates to be marked for each office.

To vote for a person whose name is not printed on the ballot, write the candidate's name on the line provided and completely fill in the OVAL

SCHOOL BOARD VOTE FOR TWO THREE YEAR TERM

Kevin Bazan
Ailliea Carle
Todd Kilanski
James Rokes Jr.
Kumoran Spaulding

Given under our hands at said Winchester, this 6th day of February 2020

	Lindseigh Picard
	Kevin Bazan
	Ailliea Carle
	Valerie Cole
	Tina Perkins

FINAL VERSION FOR THE BALLOT MARCH 10, 2020

STATE OF NEW HAMPSHIRE
WINCHESTER SCHOOL DISTRICT
WARRANT FOR 2020-21

To the inhabitants of the Town of Winchester in the County of Cheshire and the State of New Hampshire, qualified to vote in school affairs:

You are hereby notified to meet at the Winchester School Gymnasium at 6:30 PM on Thursday February 6, 2020, to consider the following articles in deliberative session, pursuant to RSA 40:13, The official voting of the business of the School District as determined at the deliberative session and the election of School District Officers will be held at the Winchester Town Hall on Tuesday, March 10, 2020 with the polls open between the hours of 8:00 A.M. and 7:00 P.M.

ARTICLE ONE: To elect two (2) members to the School Board for three (3) year terms

ARTICLE TWO: Shall the Winchester School District raise and appropriate as an operating budget for the 2020-21 school year, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **\$11,270,000.00** Should this article be defeated, the default budget shall be **\$12,770,574.00** which is the same as last year, with certain adjustments required by previous action of the Winchester School District or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI to take up the issue of a revised operating budget only?

- The School Board does not recommend this appropriation 0-5
- The Budget Committee does recommend this appropriation 3-1

ARTICLE THREE: Shall the Winchester School District vote to approve the cost items included in the two year collective bargaining agreement reached between the Winchester School Board and the Winchester's Support Staff Association which calls for the following increases in salaries at the current staffing?

The estimated increase in the costs for wages and benefits (Social Security) under the collective bargaining agreement are as follows:

YEAR 2020-21

Wages	\$ 28,790.24
Benefits (Social Security & Disability Ins.)	\$ 3,966.86
<u>Total</u>	<u>\$ 32,757.11</u>

YEAR 2021-22

Wages	\$ 24,197.86
Benefits (Social Security & Disability Ins.)	\$ 1,916.47
<u>Total</u>	<u>\$ 26,114.33</u>

FINAL 2/6/2020

and further to raise and appropriate the sum of **\$32,757.11** for the upcoming fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels in accordance with the most recent collective bargaining agreement?

- **The School Board does recommend this appropriation 3-0**
- **The Budget Committee does recommend this appropriation 5-0**

ARTICLE FOUR: Shall the Winchester School District, if article #3 is defeated, authorize the governing body to call one special meeting, at its option, to address article #3 only? (Majority vote)

ARTICLE FIVE: Shall the Winchester School District approve the cost item resulting from negotiations between the Winchester School Board and the Winchester Support Staff Association related to providing health insurance coverage for members of the bargaining unit and which results in the following benefit costs at the current staffing levels?

Year 2020-21

District cost of single health insurance plan at 85% of premiums: \$240,759.00

District cost of deductible at \$500 per member/per year: \$ 18,500.00

Total cost for 2020-21: \$259,259.00

Year 2021-22

There is no negotiated change in the District share of premiums or deductibles. The only change would be an increase/decrease in the premium rates set by the insurance carrier which cannot be estimated at this time.

and further to raise and appropriate the sum of **\$259,259.00** for the upcoming fiscal year, such sum representing the additional costs attributable to the costs for benefits required by the new agreement over those that would be paid at current staffing levels in accordance with the most recent collective bargaining agreement?

The School Board does not recommend this appropriation. 3-0

The Budget Committee does not recommend this appropriation. 5-0

ARTICLE SIX: Shall the Winchester School District raise and appropriate the sum of \$550,000 for the purpose of making the following building and infrastructure improvements: Replacement of gym roof, chimney repair/removal at Thayer, completion of third floor renovations at Thayer, convert Thayer and middle school HVAC to propane systems. This appropriation is contingent upon the receipt of an anticipated one time increase in state adequacy funding (the so-called Fiscal Capacity Disparity Aid) in the amount of \$550,000; if such funds are not received from the state, or if less than \$550,000 is received from the state, then this article shall not take effect.

The School Board does recommend this appropriation. 3-0

The Budget Committee does recommend this appropriation. 5-0

ARTICLE SEVEN: Shall the Winchester School District vote to raise and appropriate up to **\$25,000** to be placed in the Special Education Expendable Trust Fund, with such amount to be funded from the June 30, 2020 unreserved fund balance available for transfer on July 1, 2020?

FINAL 2/6/2020

- The School Board does recommend this appropriation 3-0
- The Budget Committee does recommend this appropriation 5-0

ARTICLE EIGHT: Shall the Winchester School District vote to raise and appropriate the sum of **\$75,000** to be placed in the Building Improvements Capital Reserve Fund previously established? (Majority vote required).

- The School Board does recommend this appropriation 3-0
- The Budget Committee does recommend this appropriation 5-0

ARTICLE NINE: Shall the Winchester School District receive the reports of its agents, auditors, committees and officers?

ARTICLE TEN: Shall the Winchester School District vote to transact any other business as may lawfully come before the meeting?

Given under our hands at said Winchester, this 6th day of February 2020

NOTICE

Attention Winchester Residents:

Pursuant to RSA 32:5 IX, in lieu of a budget committee's signed proposed budget, which they failed to produce, we the Winchester School Board are posting the Winchester School Board's proposed budget and warrant in accordance with the above mentioned RSA as seen below.

IX: If the budget committee fails to deliver a budget prepared in accordance with this section, the governing body shall post its proposed budget with a notarized statement indicating that the budget is being posted pursuant to this paragraph in lieu of the budget committee's proposed budget. This alternative budget shall then be the basis for the application of the provisions of this chapter.

Default Budget of the School District

Winchester Local School

For the period beginning July 1, 2020 and ending June 30, 2021

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

**WINCHESTER SCHOOL BOARD
DELIBERATIVE SESSION
FEBRUARY 7, 2019
WINCHESTER GYMNASIUM**

Board Members Present: Kevin Bazan, Lindseigh Picard, Valerie Cole, Tina Perkins and Deba Robarge
Administration Present: Ken Dassau, Valerie Carey, Mary Henry and Ian Spencer
Moderator: Henry Parkhurst
School Board Attorney: Kathy Peahl

The Moderator called the meeting to order at 7:00 pm.

The Moderator read Article One and the candidates to be on the ballot.

ARTICLE ONE: To elect one (1) member to the School Board for a three (3) year term
To elect one (1) member to the School Board for a two (2) year term
To elect one (1) member to the School Board for a one (1) year term
To elect one (1) School District Moderator for a two (2) year term
To elect one (1) School District Clerk for a three (3) year term

ARTICLE TWO: Shall the Winchester School District raise and appropriate as an operating budget for the 2019-20 school year, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **\$11,497,743.00**. Should this article be defeated, the default budget shall be **\$11,728,772.00**, which is the same as last year, with certain adjustments required by previous action of the Winchester School District or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI to take up the issue of a revised operating budget only?

- The School Board does not recommend this appropriation
- The Budget Committee does recommend this appropriation

Kevin Bazan **MOVED** to amend Article Two in the amount of **\$11,600,188.00**; **SECONDED** by: Lindseigh Picard

Kevan Whippie feels they need to move the Article before the Amendment can be voted on.

Kevan Whippie **MOVED** to approve Article Two as written; **SECONDED** by: Miriam Johnson

Roberta Frasier asked about the Amendment.

Kevin Bazan advised the Budget Committee did not include benefits for the ESOL position, they did not include a Custodian position, raises for non-collective bargaining members and a raise for of the Superintendent salary. The amended amount would add those items back in.

Pat McLeod asked about items left out of the budget by the Budget Committee.

Kevin Bazan explained – ESOL was budgeted by the Budget Committee without benefits; need to include that for proper budgeting. Custodian – Facilities presented to the Board and the Budget Committee. An additional full-time custodian is needed at the school for an appropriate level of cleanliness. The Budget Committee didn't feel it was needed.

Lindseigh Picard advised they tried last year to cut a position and make it work, but it didn't.

Kevin Bazan advised there was \$20,000 for the cost of aligning increases for non-collective bargaining staff and an \$11,000 increase for the Superintendent; which would be a total of \$85,000 for the Superintendent position, which mirrors other districts.

Pat McLeod asked if the Superintendent position is part-time.

Lindseigh Picard advised it is.

Brandon Day understands how important a strong education system is, but there is an ever-increasing tax burden. What is the contingency plan? At what point is the tax rate so burdensome that we need to look at cuts at the school. At what point in the tax rate do we start making tough decisions?

Marshall Royce advised the School rating is not as good as it should be. Math – 30% and Reading 37% - looking at giving the Superintendent a raise, but performance levels are not at the average. With all the money spent at the school, where are the results?

Lindseigh Picard advised she has been doing research on Zillow; where are they getting their information? Zillow has lots of inaccuracies plus the date on the data is two years old.

Marshall Royce advised he used the NH Department of Education information for these numbers. Kids deserve better; who is accountable? The numbers are showing kids are not getting a good education. Why are there raises and more money for something that apparently is not working?

Kevin Bazan advised the figures come from one State test. The scores do concern him and the Board, but they don't take it as the whole picture and define if teachers deserve a cost of living raise.

Lindseigh Picard encouraged Marshall Royce to go onto other sites for information. When talking about averages, both high and low can throw the number off.

Marshall Royce asked what the School Board is doing to fix K-8. The whole school does not come up to the State average.

Miriam Johnson feels you get out of education what you put into it. Each student learns differently. She encourages anyone who makes disparaging remarks about the school to volunteer to be a tutor.

Miriam Johnson asked if the increase for the Superintendent is in order to increase his hours from part-time.

Lindseigh Picard explained the salary is specific to the position. The increase would bring it in line with what that position might earn in the rest of the area.

James Wallace advised the test results are from 2016-2017. He understands teachers are working hard; he's working hard paying his taxes. He thinks he is not the only one worried about paying taxes. He asked what the percentage is of hours worked by the Superintendent.

Kevin Bazan advised – 26 hours per week.

James Wallace – 26 hours for \$85,000. His concern is taxes and if investing money as he is, feels the School should get a good Zillow review.

A citizen asked how many current ESOL students there are.

V. Carey explained there are presently three; previously six who needed a total of 55 instructional hours a week. There are three children left in the program, but that still requires 25 hours of instruction; which requires benefits for that position.

Chester LaPointe - Can't disparage numbers because we don't like them. When we go forward with discussion in the future does the information from the State mean nothing? He felt paying benefits for the Custodian was a luxury we don't have.

Lindseigh Picard explained they did try to find candidates for part time positions; had a hard time.

Ann Bazan advised she was disheartened to hear test scores being thrown around and that we are throwing away money. If we want scores to go up; need to put a whole lot of money behind it. The State hasn't quite figured out school funding. She is very pleased to know that tax dollars are going to the school system.

Heather Pelkey spoke to the need for a full-time custodian. Explained in the 19 years as a teacher here, she had never seen the school so dirty. Teachers pitched in; it is not the fault of the custodians. Now with the right number of custodians, the school is looking better. She doesn't want it to go back to how it was.

Bonnie LaVallee asked if when the Board compared positions, did they compare the same economic situations.
Lindseigh Picard advised yes, same economic situations.

James Worrold sees the School budget going up every year. He hears we need to throw more money in the budget each year. He has an issue with giving the Superintendent an \$11,000 increase. Feels what they want to do is a good thing, but need to say enough is enough. Believes this tells us how, to a large degree, our education system is working. Doesn't believe students are being prepared for competitiveness after graduation. Feels the system is broken; have been doing it for 40 years and it is still not fixed.

Bonnie Class feels the Board doesn't realize the burden they are sticking on taxpayers. Don't think about the elderly; it is a big burden. All people who have kids are not all taxpayers; need to take on that burden. What is good for the Town workers is good for the School; thinks raises should be taken off for a year.

Tony is new in Town. Feels this is one of the best Towns he's been in. He asked what the teacher-to-student ratio is; what is the forecast?

Lindseigh Picard explained there are usually 15-20 per teacher, depending on paras. We are pretty on-par with other schools in the area and the DOE.

Kevan Whippie – Statistics can be worked anyway you want them. Feels there is a significant lack of parental involvement. Need to ask people to ask their neighbors why they are not involved in children's education.

Marshall Royce advised Hinsdale, Grades Three through Eight in Reading and Math, beat us eight out of 12 times. He understands some kids are not good test takers. Feels we need to do a better job. Does agree, need parental involvement. Want to strive to make kids better for the future.

Barbara Depew has been at the school nine years. Teachers put in extra hours, use their own money, etc. Their first thought is for the school. The staff pours their heart into the school, but need funding.

Bill McGrath doesn't believe in throwing good money after bad. Test scores show that. Did the School Board return any funds to the Town last year?

L. Picard advised \$250,000.

Bill McGrath and the previous year?

Lindseigh Picard-Yes.

Bill McGrath advised it seems like there is a pattern; always returning money. He thinks people need to be held accountable - not just teachers, but parents.

Bill McGrath advised he really doesn't think there is a State requirement that we have to have ESOL. Advised enrollment is down about nine percent since he was on the School Board. He thinks they should reduce the staff by nine percent. Feels based on class sizes and the policy of the Board, could reduce some staff.

B. McGrath would like to see the State requirement for ESOL.

Lindseigh Picard advised it is a requirement. The School did test with the Department of Education and were advised we needed to provide 25 hours of ESOL.

B. McGrath feels there is staff that could be eliminated; not necessarily teachers.

Brandon Day asked at what point is the point of no return? What are we going to do when the tax rates are so high that housing prices plummet?

Kevin Bazan explained the point of no return will be decided by the residents of Winchester and people at the Town Hall. Twenty people were at the Town to discuss the budget, but not one at a School Board meeting.

Kevin Bazan explained five years ago the budget was \$11,000,000; there are costs alone that we are required to pay. That increase over five years is basically represented here. We are a bare bones budget; pretty close to bare bones. We are getting less in funding every year. We live in a transitional community. The number goes up and down. It is very difficult to do a budget 18 months from now and hard to teach a transitional community. The State has abandoned the test. He understands the plea, but encourages people to get involved.

Brandon Day understands a transitional community. Districts in the area have a very high tax rate. You say you have to meet contractual obligations. Need to say we aren't going to. Feels they shouldn't have to give people salary increases.

Amanda Norberg - It is sad to hear people feeling aggressive about the school. Explained she gets it, she is a taxpayer. There are a lot of things they help kids with before the teaching starts; need to work together. They do the best they can in ways you can't image. Teachers are not the enemy. Explained they are not saying 20 children in a classroom is optimal, but are saying no more than 20.

Chester LaPoint – Money being returned is higher than the amendment amount. Why not forget the amendment and the School Board would not return any money. He asked for a paper ballot for a vote on Article Two.

Jim Wallace asked for clarification; advised the Hinsdale Superintendent makes \$100,000, not \$85,000. He advised there are more students in Hinsdale and the Superintendent there is a 60% position.

Kevin Bazan advised the Hinsdale Superintendent also receives Medical benefits.

Jim Wallace feels the \$11,000 raise is not comparable with Hinsdale.

Bill McGrath advised he looked at the School District audits as the School Treasurer. The School Board approved a \$200,000 payment to ACCESS; what were the circumstances?

Kevin Bazan advised the School was the Fiscal Agent for ACCESS. He explained that is what Bill McGrath referred to. The Board has been investigating to see if funds were actually received by the Federal Government.

Bill McGrath advised in 2017 the School was carrying an \$88,000 negative balance; are we still?

Lindseigh Picard advised we are not carrying a negative balance. It is not relevant to the issue at hand.

The Moderator suggested Bill McGrath bring the matter to a School Board meeting.

Kristin Landry feels people in the private sector are doing okay. She is tired of people cutting money for the school, but then they won't let businesses in Town.

Bonnie Class asked how many para's the school has.

Lindseigh Picard explained they are fully staffed with 35. The majority are required by IEP's.

Bonnie Class explained she worked as an aide at the school and taught students things that the parents should be teaching them. Feels they should be forming one class for Special Needs students.

Kevin Bazan advised they previously used the Resource Room. Due to *No Child left Behind* we are not legally able to do that.

Rikki Belusky has a special needs child who has a one-on-one aide all day. Teachers and staff do an amazing job. She, as a parent, works with everyone to give him the tools he needs to get through his day. That doesn't mean he needs to be in a special room. She appreciates everyone in the School. - MOVED the question.

VOTE on the Amendment to Article Two to raise the appropriation to \$11,600,188.00; by Paper Ballot; 41 – Yes, 36 - No, MOTION PASSED.

Kevan Whippie MOVED the question.

VOTE to Recommend Article Two as Amended; by Voice Vote, MOTION PASSED.

ARTICLE THREE: Shall the Winchester School District vote to approve the cost items included in the two year collective bargaining agreement reached between the Winchester School Board and the Winchester's Teacher Association which calls for the following increases in salaries and benefits at the current staffing?
The estimated increase in the costs for wages and benefits (Social Security and NH Retirement System) under the collective bargaining agreement are as follows:

YEAR 2019-20

Wages	\$ 53,031.00
Benefits (Social Security & NH Retirement System)	<u>13,496.39</u>
Total	\$ 66,527.39

YEAR 2020-21

Wages	\$ 55,716.00
Benefits (Social Security & NH Retirement System)	<u>14,179.72</u>
Total	\$ 69,895.72

and further to raise and appropriate the sum of **\$ 66,527.39**, for the upcoming fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels in accordance with the most recent collective bargaining agreement?

- The School Board does recommend this appropriation
- The Budget Committee does recommend this appropriation

Kevin Bazan MOVED to recommend Article Three as printed; SECONDED by: Kevan Whippie; by Voice Vote, MOTION PASSED.

ARTICLE FOUR: Shall the Winchester School District, if article #3 is defeated, authorize the governing body to call one special meeting, at its option, to address article #3 only? (Majority vote)

Kevan Whippie MOVED to recommend Article Four as written; SECONDED by: Ann Bazan, by Voice Vote, MOTION PASSED.

Kevin Bazan MOVED to restrict reconsideration of Articles One through Four; SECONDED by: Kevan Whippie; by Voice Vote, MOTION PASSED.

ARTICLE FIVE: Shall the Winchester School District vote to raise and appropriate up to **\$25,000** to be placed in the Special Education Expendable Trust Fund, with such amount to be funded from the June 30, 2019 unreserved fund balance available for transfer on July 1, 2019?

- The School Board does recommend this appropriation
- The Budget Committee does recommend this appropriation

Kevan Whippie MOVED to recommend Article Five as written; SECONDED by: Miriam Johnson; by Voice Vote, MOTION PASSED.

ARTICLE SIX: Shall the Winchester School District vote to raise and appropriate the sum of **\$150,000** to be placed in the Building Improvements Capital Reserve Fund previously established? (Majority Vote Required)

- The School Board does recommend this appropriation
- The Budget Committee does recommend this appropriation

Kevan Whippie MOVED to recommend Article Six as written; SECONDED by: John Picard

Brandon Day MOVED to amend Article Six in the amount of \$100,000; SECONDED by: James Herdon

Joan Franklin asked if the amount of money is cut, would we have enough for a new boiler.

Kevin Bazan No, he does not think so.

Joan Franklin doesn't feel they can cut that amount, then.

Kevin Bazan asked if Mr. Day has suggestions as to where to cut.

Brandon Day asked about the condition of the boiler and if the School has looked into Grants and alternative energy solutions.

Kevin Bazan explained the boiler on the elementary side is 48 years old. It runs and is maintained. It is not efficient at all. If we want to take care of these buildings, need to be sure we are putting in efficient equipment. There is no building aid. We have applied for Grant funding for heating systems and efficiency.

Kevan Whippie advised the boiler would have been in service in 1971/72 not 1968. Feels to come to this meeting with suggestions about what kind of boiler to replace ours with is inappropriate. Feels should go to a School Board meeting.

Miriam Johnson advised she was a member of the first sixth grade class to come into the building. Feels the boiler is past its limits. She thanked the School Board for having a plan to show how tax dollars go to support the building. She appreciates that list.

Lindseigh Picard thanked Ian Spencer for his work on the project list.

Ian Spencer spoke to the need for a new boiler. They are currently comparing HVAC systems; which is being funded through Eversource, to see what is the most cost effective and efficient system we can get. Trying to be sure interim costs are as cheap as they can be.

Tony feels it would be detrimental to students if the boiler went. Feels it is not worth the savings of \$50,000.

Marshall Royce advised the boiler is not on the current schedule.

Lindseigh Picard explained the current budget is 2019-2020 and it is on there.

Kevan Whippie – Is \$150,000 the maximum, assuming there are no Grants, etc?

Lindseigh Picard – The Capital Reserve Fund is funded and on the Warrant every year. If not funded into the Capital Reserve at the end of this fiscal year we would have approximately \$160,000 into next year.

Kevin Bazan advised \$125,000 is the maximum for the boiler.

Chester LaPointe – Since the School sends money back and we have a bottom line budget, don't let a threat of no boiler wear you down. They will have money anyway.

VOTE on Amendment to Article Six to reduce amount to \$100,000; by Standing Vote; Yes – 28, No – 32, MOTION FAILED.

VOTE to send Article Six to the printer as presented; by Voice Vote, MOTION PASSED.

Kevin Bazan MOVED to restrict reconsideration of Article Five and Six; SECONDED by: Miriam Johnson, by Voice Vote, MOTION PASSED.

ARTICLE SEVEN: Shall the Winchester School District receive the reports of its agents, auditors, committees and officers?

ARTICLE EIGHT: Shall the Winchester School District vote to transact any other business as may lawfully come before the meeting?

Kevin Bazan MOVED to approve Article Seven and Eight as written; SECONDED by: Kevan Whippie, MOTION PASSED.

Cindy Ryder spoke to the group regarding the issue of raising the age to 21 to buy tobacco. Advised they are just trying to make the community healthier. The younger they are the more apt they are to be addicted. Death from tobacco can be eliminated. Feels the age should be changed to 21.

The meeting recessed at 9:14 pm.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read 'Peggy Higgins', with a stylized flourish at the end.

Peggy Higgins
Winchester School Board Secretary

STATE OF NEW HAMPSHIRE
WINCHESTER SCHOOL DISTRICT
MARCH 12, 2019

ARTICLE ONE:

To elect one (1) member to the School Board for a three (3) year term

Tina Perkins 453

To elect one (1) member to the School Board for a two (2) year term

Lindseigh Picard 442

To elect one (1) member to the School Board for a one (1) year term

Ailliea Carle 103

To elect one (1) School District Moderator for a two (2) year term

Henry A.L. Parkhurst 481

To elect one (1) School District Clerk for a three (3) year term

James Tetreault 538

ARTICLE TWO: Shall the Winchester School District raise and appropriate as an operating budget for the 2019-20 school year, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **\$11,497,743.00** Should this article be defeated, the default budget shall be **\$11,728,772.00**, which is the same as last year, with certain adjustments required by previous action of the Winchester School District or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI to take up the issue of a revised operating budget only?

- **The School Board does not recommend this appropriation**
- **The Budget Committee does recommend this appropriation**

YES 492	NO 87
